

## Brampton Safety Council Site Inspection Report

**Date:** OCTOBER 20, 2020 Ward: 6

---

**School/Location:** St. Jean-Marie Vianney Catholic School, 75 Jordensen Drive

---

**Principal:** Joceline Adusei

**Time(s):** 8:30 a.m. and 3:30 p.m.

---

**Phone:** 905-890-7610

**Weather:** Slight overcast (a.m.) / Sunny & clear (p.m.)

---

**Requested By:** Marrison Martindale, Brampton resident

---

**Nature of Problem:** Crossing Guard inquiry at intersection Williams Parkway & Valleyway Drive

---

**Observers Present:** (a.m.) - Renee Crone, member; Max Kazman, member; Margaret Laramore Crossing Guard, Team Lead; (p.m.) Renee Crone, member; Abdul Rashid, member; Margaret Laramore, Crossing Guard, Team Lead

---

### **Observations:**

1. The intersection of Valleyway Drive and Williams Parkway is a signalized intersection, highlighted with clear enhanced pavement markings on all legs of the intersection.

---

2. The following signage is posted on Williams Parkway:
  - Speed limit of 50 km/hr in the vicinity of St. Roch Catholic School
  - “No Stopping” restrictions on the north side on Williams Parkway
  - No “U-Turn” signage on William Parkway

---

3. The following signage is posted on Valleyway Drive:
  - “No Parking” restrictions along the north side leading up to the intersection
  - “Walking Route” and “Watch for Children” signage are in place on the south side

---

4. During the morning observation, four grade 7 boys crossed William Parkway safely without any issues. No students from Junior Kindergarten to grade 5 were observed crossing.

---

5. During the afternoon inspection, three children under grade 5 crossed Williams Parkway. They activated the push button, and had sufficient time to cross without any conflict.

---

### **RECOMMENDATIONS**

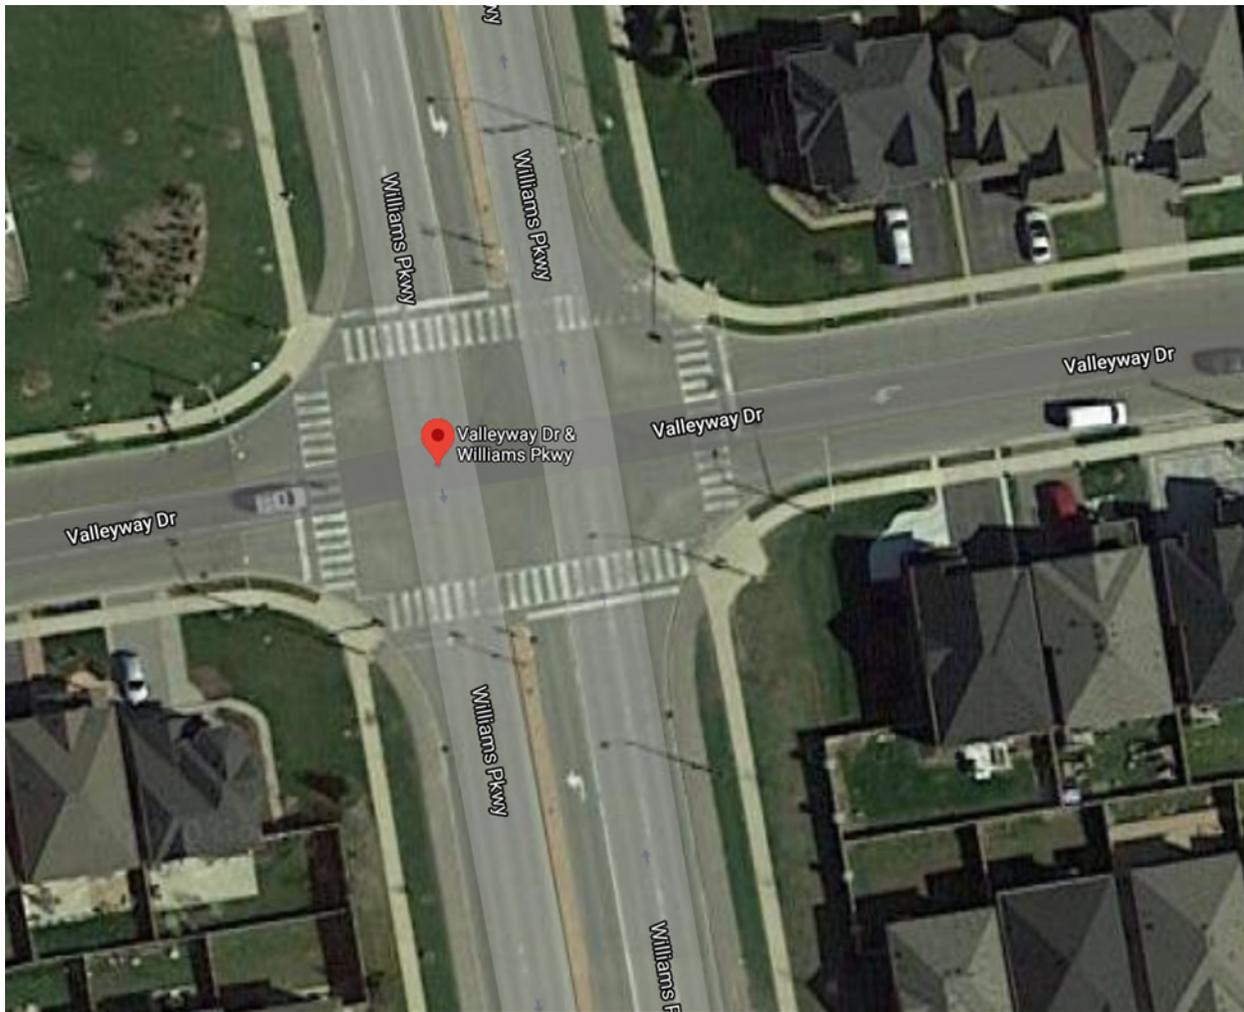

1. That the Site Inspection report be received; and

---

2. That a Crossing Guard is not warranted at the intersection of Williams Parkway and Valleyway Drive at this time.
