

**SCHEDULE "A"
CONDITIONS OF DRAFT APPROVAL****DRAFT APPROVAL****DATE:** (Day After Last Day for Filing an Appeal if No Appeal has been Filed)**APPLICANT:** GLEN SCHNARR & ASSOCIATES INC. (c/o 1212949 Ontario Inc.)**SUBJECT:** Draft Plan of Subdivision
Subdivision File: 21T-10001B (Blocks 96 and 97)
City of Brampton File: C05W01.005
City of Brampton Planner: Nitika Jagtiani

In accordance with By-law 10-97 the Council of the City of Brampton has made a decision to authorize the draft approval for Blocks 96 and 97 of the above noted draft plan of subdivision subject to the following conditions.

Approved Plan and Redlines

1. The final plan shall conform to the draft plan prepared by Glen Schnarr & Associates Inc. dated November 14, 2018.

Subdivision Agreement

2. Prior to registration, the owner shall enter into a Subdivision Agreement and any other agreements deemed necessary by the City of Brampton, Region or any other approval authority.

These agreements shall deal with any matter and include any term or condition which an approval authority may require, where such matters, terms, or conditions, are reasonable in the opinion of the approval authority, having regard to the nature of the development proposed for the subdivision, in accordance with s.51 of the Planning Act. These agreements may address matters including but not limited to the following:

- 2.1 Planning matters such as parkland/open space dedications and development, residential reserves, buffer blocks, tree preservation, trails, site development plan, utilities, architectural control, homebuyers' information map, heritage conservation and landscape plan approvals, phasing/staging of development, warning clauses and notices.
- 2.2 Engineering matters such as municipal services, road widening, construction and reconstruction, transit infrastructure, traffic signals, grading, fencing, well monitoring, septic systems, waste management, pressure testing/chlorination, noise mitigation and warning clauses.

- 2.3 Financial issues such as cash contributions, levies (development charges), land dedications or reserves, securities or letters of credit.
- 2.4 Details regarding all matters and requirements referenced in these conditions of draft approval may be provided by way of Comments and Conditions Memos from approval authorities, or from agencies and departments of the City and/or Region, in response to the circulation of the draft plan of subdivision. The conditions expressly identified in the Comments and Conditions Memos as referenced and/or attached to this draft approval and/or any such additional or amended Comments and Conditions Memos as may be provided to the owner in accordance with this draft approval shall be deemed to be conditions for the purposes of this draft approval. General requirements of the City's Subdivision Manual, Development Design Guidelines, Region's Design Criteria and Material Specification Manual, and Landscape Guidelines, as applicable and as amended or replaced from time to time, shall be implemented through the terms and conditions of the Subdivision Agreement.

Fees

3. Prior to registration, all processing and administrative fees shall be paid. Such fees will be charged at prevailing rates of approved City and Regional Policies and By-laws on the day of payment.

Zoning

4. The Zoning By-law implementing the subject plan shall be approved under Section 34 of the Planning Act, R.S.O. 1990, c.P.13, as amended, and be in full force and effect prior to registration of the plan.

Easement and Land Dedication within the Plan

5. Prior to registration of the Plan, the owner shall gratuitously convey and/or dedicate any required road or highway widening, 0.3 m (1 ft.) reserves, walkways, sight triangles, radius roundings, buffer blocks other land required for municipal purposes and utility or drainage easements to the satisfaction of the City, Region, or other authority.
6. All lands which are to be conveyed to the City shall be free and clear of any and all encumbrances, unless otherwise approved by the City.

External Easements and Land Dedications

7. Prior to registration, the owner shall gratuitously convey all necessary external easements and lands for access, drainage, servicing, utility purposes and for any other municipal purposes, as may be required, to the appropriate municipality, agency or public authority. The owner is advised that no servicing works shall be permitted until the detailed engineering drawings are approved and external easements and lands granted.

8. All lands which are to be conveyed to the City shall be free and clear of any and all encumbrances, unless otherwise approved by the City.
9. Where the City has required as a condition of registration that the owner convey lands gratuitously to the City for municipal purposes, and where the lands have been so conveyed to the City, and where prior to assumption of the plan the City determines in its sole and absolute discretion that said lands (or any interest therein) are surplus to its requirements and are no longer required, then the City may reconvey said lands (or any interest therein) to the Owner, gratuitously, provided that the Owner shall be required to pay for any fees, taxes, and/or disbursements related to the reconveyance, including but not limited to registration fees and the cost of preparing and filing a reference plan.

Parkland Dedication

10. Prior to registration, parkland dedication requirements for the subject application shall be finalized. In this regard, arrangements shall be made to the satisfaction of the Commissioner of Planning & Development Services and in accordance with the terms of the City's Parkland Dedication By-law, applicable at the time of plan registration.

Studies

11. Prior to registration, the owner shall provide all outstanding reports, plans or studies required by the appropriate Municipality, agency or public authority and the approved recommendations shall be incorporated into the plans, agreements or otherwise implemented to the satisfaction of the City in consultation with the applicable agency and/or public authority.

Staging

12. Development of the plan shall be staged to the satisfaction of the City and the Region in accordance with the approved Growth Management Staging and Sequencing Strategy. In this regard provision shall be made in the subdivision agreement to allow for the registration of this plan in phases, only in accordance with the approved Growth Management Staging and Sequencing Strategy.
13. Where a Growth Management Staging and Sequencing Strategy has not been required by the City, staging shall be based on the timing of essential services that serve the plan including, but not limited to: servicing capacity, road improvements, school availability, etc. In this regard the owner shall agree to enter into a phasing agreement, the provisions of which may be incorporated into the Subdivision agreement to allow the registration of this plan in phases.

Drawings

14. Prior to registration the owner shall submit drawings to the satisfaction of the City in consultation with the applicable agency and/or public authority for approval.

Servicing

15. Prior to registration, the recommendations of the approved Functional Servicing Report shall have been incorporated into all engineering plans.

Cost-share Agreement

16. Prior to registration the owner shall sign the Landowners Cost Share Agreement (or other named agreement), and provide the City with a written acknowledgment from the Trustee appointed pursuant to the agreement, that the owner has signed the agreement and has delivered the deeds or made the payments required by the agreement, and that the plan may be released for registration.

School Boards

17. Prior to final approval, the City of Brampton shall be advised by the School Board(s) that satisfactory arrangements regarding the adequate provision and distribution of educational facilities have been made between the owner and the School Boards for this Plan.

Dufferin-Peel Catholic District School Board

18. The owner shall agree in the subdivision agreement to erect signs at all major entrances to the proposed development advising of the following:

"Notice: Please be advised that students may be accommodated elsewhere on a temporary basis until suitable permanent pupil places, funded by the Government of Ontario, are available."
19. These signs shall be to the Dufferin-Peel Catholic District School Board's specifications, at locations determined by the Board and erected prior to registration.

The following clauses to the satisfaction of the Dufferin-Peel Catholic District School Board:

"Whereas, despite the best efforts of the Dufferin-Peel Catholic District School Board, sufficient accommodation may not be available for all anticipated students from the area, you are hereby notified that students may be accommodated in temporary facilities and/or bussed to a school outside of the neighbourhood, and further, that students may later be transferred to the neighbourhood school."

"That the purchasers agree that for the purpose of transportation to school, the residents of the subdivision shall agree that children will meet the bus on roads presently in existence or at another place designated by the Board."

Peel District School Board

20. The owner shall undertake the following to the satisfaction of the Peel District School Board:
- a) to erect and maintain signs to the satisfaction of the Peel District School Board at the entrances to the subdivision which shall advise prospective purchasers that due to present school facilities, some of the children from the subdivision may have to be accommodated in temporary facilities or bused to schools according to the Board's Transportation Policy.
 - b) the following clauses in any agreement of purchase and sale entered into with respect to any units in the plan to the satisfaction of the Peel District School Board for a period of five (5) years from the date of registration of the Plan:

"Whereas despite the best efforts of the Peel District School Board, sufficient accommodation may not be available for all anticipated students in neighbourhood schools, you are hereby notified that some students may be accommodated in temporary facilities or bused to schools outside of the area, according to the Board's Transportation Policy. You are advised to contact the School Accommodation Department of the Peel District School Board to determine the exact schools."

"The purchaser agrees that for the purposes of transportation to school the residents of the development shall agree that children will meet the school bus on roads presently in existence or at another designated place convenient to the Board."

21. Prior to final approval, the City of Brampton shall be advised by the School Board(s) that satisfactory arrangements regarding the provision and distribution of educational facilities have been made between the developer/applicant and the School Board(s) for this plan.

Canada Post

Prior to the registration of the subdivision, the owner shall:

22. Consult with Canada Post to determine suitable permanent locations for the placement of Community Mailboxes and to indicate these locations on appropriate servicing plans.
23. Confirm to Canada Post that the final secured permanent locations for the Community Mailboxes will not be in conflict with any other utility; including hydro transformers, bell pedestals, cable pedestals, flush to grade communication vaults, landscaping enhancements (tree planting) and bus pads.
24. Install concrete pads at each of the Community Mailbox locations as well as any required walkways across the boulevard and any required curb depressions for wheelchair access as per Canada Post's concrete pad specification drawings.

25. Agree to prepare and maintain an area of compacted gravel to Canada Post's specifications to serve as a temporary Community Mailbox location. This location will be in a safe area away from construction activity in order that Community Mailboxes may be installed to service addresses that have occupied prior to the pouring of the permanent mailbox pads. This area will be required to be prepared a minimum of 30 days prior to the date of first occupancy.
26. Communicate to Canada Post the excavation date for the first foundation (or first phase) as well as the expected date of first occupancy.
27. Prior to offering any of the residential units for sale, to place a "Display Map" on the wall of the sales office in a place readily available to the public which indicates the location of all Canada Post Community Mailbox site locations, as approved by Canada Post and the City of Brampton.
28. Include in all offers of purchase and sale a statement, which advises the prospective new home purchaser that mail delivery will be from a designated Community Mailbox, and to include the exact locations (list of lot #s) of each of these Community Mailbox locations; and further, advise any affected homeowners of any established easements granted to Canada Post.
29. Be responsible for officially notifying the purchasers of the exact Community Mailbox locations prior to the closing of any home sales with specific clauses in the Purchase offer, on which the homeowners do a sign off.

Enbridge Gas Distribution

Prior to the registration of the subdivision, the owner shall:

30. Contact Enbridge Gas Distribution's Customer Connections Department by emailing SalesArea20@enbridge.com for service and meter installation details and to ensure all gas piping is installed prior to the commencement of site landscaping (including, but not limited to: tree planting, silva cells, and/or soil trenches) and/or asphalt paving.
31. Agree that if the gas main needs to be relocated as a result of changes in the alignment or grade of the future road allowances or for temporary gas pipe installations pertaining to phase construction, all costs are the responsibility of the applicant.
32. Agree that any easement(s) that are required to service this development and any future adjacent developments will be provided to Enbridge Gas Distribution at no cost.
33. That the Owner shall ensure to grade all road allowances to as close to final elevation as possible, provide necessary field survey information and all approved municipal road cross sections, identifying all utility locations prior to the installation of the gas piping.

Rogers Telecommunications

Prior to registration of the subdivision, the owner shall:

34. At its own cost, grant all necessary easements and maintenance agreements required by those CRTC-licensed telephone companies and broadcasting distribution companies intending to serve the Subdivision (collectively the "Communications Service Providers"). Immediately following registration of the Plan of Subdivision, the owner will cause these documents to be registered on title.
35. With consultation with the applicable utilities and Communications Service Providers, prepare an overall utility distribution plan that shows the locations of all utility infrastructure for the Subdivision, as well as the timing and phasing of installation.

Bell Canada

Prior to the registration of the subdivision, the owner shall:

36. Agree in the subdivision agreement, in words satisfactory to Bell Canada, to grant to Bell Canada any easements that may be required for telecommunication services. Easements may be required subject to final servicing decisions. In the event of any conflict with existing Bell Canada facilities or easements, the owner/owner shall be responsible for the relocation of such facilities or easements.
37. Shall agree in the agreement, in words satisfactory to Bell Canada, that Bell Canada requires one or more conduit or conduits of sufficient size from each unit to the room(s) in which the telecommunication facilities are located to the street line.

Alectra Utilites

38. Prior to the registration of the subdivision, the owner shall:

- a) Grant all necessary aerial or underground easements, as may be required to service this development, at no cost to Alectra Utilities. These will be confirmed during the final design of the road and subdivision.
- b) Enter to a servicing agreement (offer-to-connect) and will be responsible for the cost sharing as detailed in the offer-to-connect.
- c) Be responsible for the costs associated with the hydro plant expansion to supply this development.
- d) Be responsible for the costs of the relocation of existing plant to accommodate the new road(s) or driveways.

39. Contact Alectra Utilities (Brampton Hydro) Subdivisions Department to obtain a subdivision application form (SAF) and to discuss the electrical service installation requirements and schedule. The owner/ developer shall submit the SAF at least 6 months prior to the start of electrical distribution system (EDS) installation. SAF is available by visiting <https://alectrautilities.com/find-form?parent=9> (under Construction Services).

Credit Valley Conservation Authority (CVC)

The following are CVC Staff's recommended conditions of draft approval for Phase 2:

40. That the City of Brampton's Restricted Area Zoning Bylaw shall contain provisions which will place all lands within Block 127 (NHS), in the appropriate public open space category.
41. That a Comprehensive Monitoring Plan be submitted to the satisfaction of CVC.
42. That the Addendum to the September 2011 EIR be completed to the satisfaction of CVC and the City. If necessary, the plan shall be redline revised to implement the findings of the addendum.
43. Prior to the registration of the plan and any site grading and servicing that the following information be prepared to the satisfaction of the CVC and the City of Brampton:
- a) Detailed engineering and grading plans for Phase 2, consistent with the overall draft plan of subdivision.
 - b) Appropriate sediment and erosion control measures be implemented as approved by the Credit Valley Conservation and the City of Brampton.
 - c) That details of the proposed trail through the natural heritage features (as applicable) be submitted to the satisfaction of the Credit Valley Conservation and the City and that permits under Ontario Regulation 160/06 be received for the proposed works.
 - d) That a buffer planting plan be submitted for the lands adjacent to Block 127 (NHS).
 - e) That permits be received from Credit Valley Conservation in accordance with Ontario Regulation 160/06 for any development proposed in the regulated area. f. That confirmation be received from a qualified professional that SWM facility L4 has been constructed in accordance with the approved plans.
44. That the Servicing Agreement between the Owner and the Municipality contain provisions, wherein the Owner agrees to carry out the works noted above.

Hydro/Telecommunications

45. Prior to the release of the plan for registration, the owner must submit in writing, evidence to the Commissioner, Planning, Building and Economic Development that satisfactory arrangements have been made with the telecommunications and hydro providers for the installation of their plants in the common trench, within the prescribed location in the road allowances.

Region of Peel

46. The following requirements/conditions will be required to be satisfactorily addressed as they relate to the Region's Conditions of Draft Plan Approval.

- a) Prior to execution of the Subdivision Agreement by the Region, the Developer shall:
 - i) Obtain and submit to the Region a Residential Development Charges Payment Form completed to the best of the Developer's knowledge at the time of the subdivision and to the satisfaction of the Region in accordance with the engineering drawings and final draft M-plan; and
 - ii) Pay to the Region the appropriate hard service residential development charges (water, wastewater and road service components), pursuant to the Region's Development Charges By-law, as amended from time to time, calculated based on the information provided in the Residential development Charges Payment Form.

47. Provision shall be made in the Subdivision Agreement with respect to:

- a) Payment to the Region of appropriate soft service development charges and any outstanding hard service development charges; and
- b) Collection of development charges for future residential development blocks (non-freehold townhouses or apartment blocks); pursuant to the Region's Development Charges By-law, as amended from time to time;

48. In respect of the water meter fees:

- a) Prior to registration of the plan of subdivision, the Developer shall pay to the Region the appropriate water meter fees, in accordance with the Region's Fees By-law, as amended from time to time for residential building lots (singles, semi-detached and freehold townhomes) to the satisfaction of the Region in accordance with the engineering drawings and final draft M-plan for the Lands;
- b) A clause shall be included in the Subdivision Agreement that water meter fees for future residential development (non-freehold townhouses or apartment blocks) and commercial blocks shall be payable to the Region prior to issuance of building permits, in accordance with the Region's Fees By-law, as amended from time to time; and
- c) A clause shall be included in the Subdivision Agreement that in the event of an underpayment of water meter fees, the Developer shall be responsible for payment thereof forthwith upon request.

49.

- a) The Developer shall gratuitously transfer to the Region free and clear of all encumbrances and to the satisfaction of the Region:
 - i) All necessary easements for proposed and existing Regional infrastructures as required by the Region to service the proposed plan and external lands.
- b) All costs associated with land transfers and easements shall be 100% the responsibility of the Developer. Clauses shall be included in the Subdivision Agreement in respect of same.

Traffic/Development Engineering Conditions

50.

- a) The Developer shall acknowledge and agree that landscaping, signs, fences, gateway features, and any other encroachments will not be permitted within the Region's easements; Clauses shall be included in the Subdivision Agreement in respect of same
- b) The Developer shall acknowledge and agree that landscaping, signs, fences, gateway features, and any other encroachments will not be permitted within the Region's easements; Clauses shall be included in the Subdivision Agreement in respect of same.

51. Servicing of the subdivision will require:

- a) Construction of oversized 600 mm dia. sanitary sewers which are the financial responsibility of the Region as per Development Charges By-Law. 600 mm dia. sanitary sewers are included in the Five Year Capital Budget and Forecast; and
- b) The Developer shall make appropriate financial arrangement with the Region prior to construction of such works. The construction will be subject to the Region's determination that it has or will have sufficient funds to finance the works.
- c) Construction of external 300mm diameter watermain (zone 4) along Heritage Road from proposed Brasstown Valley Trail to Steeles Avenue West as indicated in the approved Functional Servicing Report submitted for Riverview Heights Block 40-3. The Developer shall make necessary arrangements in respect to design and construction of the 300mm diameter watermain at the sole cost and expense of the Block 40-3 Developers. Clauses shall be included in the Subdivision Agreement in respect of same.

52. Prior to servicing, the Developer's engineer shall submit all engineering drawings in the digital format to the latest Region's Digital Format Guidelines.

53. Within (60) days of preliminary acceptance of the underground services, the Developer's engineer shall submit "As Constructed" drawings in digital format, pursuant to the latest Region's Digital Format Guidelines. The Developer's engineer shall also provide ties to all main line valves, ties to individual water service boxes, linear ties to sanitary sewer services and GPS coordinates of all watermain and sanitary sewer appurtenances in accordance with the latest requirements of the Region "Development Procedure Manual". A clause shall be included in the Subdivision Agreement in respect of same.

54. Prior to registration of the subdivision, the Developer shall execute a Subdivision Agreement with the local municipality and Region for the construction of municipal sanitary sewer, water, and regional roads associated with the lands. The Developer shall construct and design these services in accordance with the latest Region standards and requirements.

55. Prior to servicing, the Developer shall submit a satisfactory engineering submission to the Region to review and approval.

56. Prior to registration of the plan of subdivision, the Developer shall pay the Region's costs for

updating its electronic "As Constructed" information for the infrastructure installed by the Developer. The cost shall be based on a "per kilometre" basis for combined watermains and sanitary sewers installed pursuant to the Region's latest User Fees By-law

57. Prior to registration of the plan of subdivision, the Developer shall ensure that:
- a) All lots and blocks must be serviced via an internal road network; Clauses shall be included in the Subdivision Agreement in respect of same.
58. Prior to servicing the Region may require the Developer to construct a sampling hydrant (at the Developers cost) within the proposed plan. Location and the requirement for sampling hydrant will be determined at the engineering review stage.
59. The Developer agrees that the Region shall hold back a portion of the Letter of Credit to cover the costs of services completed by the Region on a time and material basis pursuant to the current Region's User Fee By-Law. A clause shall be included in the Subdivision Agreement in respect of same.
60. The Developer will maintain adequate chlorine residuals in the watermains within the plan from the time the watermains are connected to the municipal system until such time as the Region issues Final Acceptance. To maintain adequate chlorine residuals, the Developer shall either install automatic flushing devices or retain Regional staff to carry out manual flushing. Regional staff shall conduct the monitoring and testing for chlorine residuals. All costs associated with the monitoring and flushing shall be the responsibility of the Developer pursuant to the current Region's User Fee By-Law. A clause shall be included in the Subdivision Agreement in respect of same.
- 61.
- a) In respect of servicing existing properties within the zone of influence in the event that existing private services (wells) deteriorate due to the servicing of the proposed plan of subdivision;
 - b) Until the issuance of Final Acceptance a portion of the Letter of Credit shall be held back to serve as protection for the private wells in the zone of influence of the plan of subdivision. This amount shall be based on the anticipated cost of replacing water supplies within the zone of influence as shown in the schedules of the agreement. The minimum amount shall be \$20,000.00. If the private well systems in the zone of influence deteriorate due to the servicing of the plan of subdivision the Developer shall provide temporary water supply to the residents upon notice by the Region and the Developer shall continue supplying the water to the effected residents until the issue is resolved to the satisfaction of involved parties. If the quantity of water in the existing wells is not restored to its original condition within a month after first identification of the problem, the Developer shall engage the services of a recognized hydrogeologist to evaluate the wells and recommend solutions including deepening the wells or providing a permanent water service connection from the watermain to the dwelling unit.
 - c) The Developer shall inspect, evaluate and monitor all wells within the zone of influence prior to, during and after the construction has been completed. Progress Reports should

be submitted to the Region as follows:

- i) Base line well condition and monitoring report shall be submitted to the Region prior to the pre-servicing or registration of the plan (whichever occurs first) and shall include as a minimum requirement the following tests:
 - a) Bacteriological Analysis - Total coliform and E-coli counts
 - b) Chemical Analysis - Nitrate Test
 - c) Water level measurement below existing grade
- d) In the event that the test results are not within the Ontario Drinking Water Standards, the Developer shall notify in writing the Homeowner, the Region of Peel's Health Department (Manager - Environmental Health) and Public Works Department (Development Supervisor) within 24 Hours of the test results. e. Well monitoring shall continue during construction and an interim report shall be submitted to the Region for records. Well monitoring shall continue for one year after the completion of construction and a summary report shall be submitted to the Region prior to Final Acceptance. Clauses shall be included in the Subdivision Agreement in respect of same.
- e) The Developer shall agree that neither the Developer nor any Builder will apply for building permits for any lots or blocks within the plan of subdivision until the Region's Public Works Department has issued Preliminary Acceptance and provided notice to the local municipality stating that internal and external sanitary sewers and watermains, including fire protection, have been completed to the Region's satisfaction. The Developer's Consulting Engineer shall certify in writing that the internal and external sanitary sewers and watermains, including fire protection, have been constructed, inspected and shall function in accordance with the detailed design as approved by the Region. A clause shall be included in the Subdivision Agreement in respect of same.

62. Prior to Registration of the plan of subdivision, the Developer shall submit draft reference plan(s) for the Region's review and approval prior to such plans being deposited. All costs associated with preparation and depositing of the plans and transfer of lands shall be at the sole expense of the Developer.

63. The Developer agrees that prior to the Region granting clearance of the draft plan conditions of subdivision approval, the following shall require to be forwarded to the Region's Legal Services Division:

- a) A copy of the final signed M-Plan
- b) A copy of the final draft R-Plan(s); and
- c) Easement and conveyance documents required pursuant to this Agreement and the registration of this plan.

A clause shall be included in the Subdivision Agreement in respect of same.

Administrative — Clearance of Conditions

64. Prior to the signing of the final plan by the Commissioner, Planning, Building and Economic Development, or her designate, they shall be advised that the above noted conditions have been carried out to the satisfaction of the appropriate agencies and the City.

NOTE 1:

In accordance with City Council resolution C003-97, draft approval granted under Section 51 of the Planning Act, R.S.O., 1990, c.P.13 is valid until draft approval is either withdrawn, or the plan is registered. The conditions of draft approval will, however, be reviewed initially 3 years after draft approval is granted and subsequently every 2 years to determine if the conditions are appropriate or whether draft approval should be withdrawn.

NOTE 2:

In order to expedite the clearance of conditions, we suggest that a copy of the signed Subdivision Agreement be forwarded to the following agencies upon execution:

Canada Post Corporation
200 - 5210 Bradco Blvd

NOTE 3:

The costs of any relocations or revisions to Hydro One facilities which are necessary to accommodate this subdivision will be borne by the owner, and further any easement rights of Hydro One are to be respected. The owner should contact the local Hydro One Area office to verify if any low voltage distribution lines may be affected by the proposal.

NOTE 4:

It is recommended that the owner or their consultant contact the Toronto and Region Conservation Authority to clarify specific requirements prior to preparation of detailed engineering reports.

Plan: Draft Plan of Subdivision for Ashley Lands (Phase II).

Plan Dated: November 14, 2018

Comment Revision #: 1st

The following represents a summation of comments and conditions from the ***Development Services Division of the Planning, Building and Economic Development Department*** with respect to matters dealing with Zoning, community information maps, warnings, notices, growth management, other general requirements to be included in the subdivision agreement, among others.

A. PRIOR TO DRAFT PLAN APPROVAL

The following shall be addressed prior to the release of the application for draft plan approval.

Sales Office Homebuyers Information Map

1. Prior to draft plan approval, the owner shall prepare a preliminary Homebuyers Information Map of the subdivision to be posted in a prominent location in each sales office where homes in the subdivision are being sold. The map shall contain the following information and clauses as applicable:
 - a) The proposed land uses within the subdivision based on the latest draft plan.
 - b) Where applicable, a statement indicating that church and school sites may be used for residential uses if they are not acquired for their original purpose within the time period specified in the subdivision agreement.

-
- c) The immediately surrounding existing and proposed land uses.
 - d) Those lots or blocks that have existing and potential noise environmental problems based on the noise feasibility study. Include all relevant warning clauses on the map.
 - e) The approximate locations of noise attenuation walls and berms;
 - f) The approximate locations and types of other fencing within the subdivision
 - g) Where parks and open space, storm water management facilities and walkways are located.
 - h) The types and locations of parks, valley lands and other open space (i.e. passive or active) and a general description of their proposed facilities and anticipated level of maintenance (to be confirmed in each case with the Environment and Development Engineering Division).
 - i) Potential locations of all Canada Post community mail boxes on corner lots (except corner lots at the intersection of an arterial road).
 - j) The locations of all Brampton Transit routes through the subdivision.
 - k) The following standard notes, using capital letters where noted:

i. "NOTICE AND ADVICE TO PURCHASERS:

THIS MAP IS INTENDED TO PROVIDE HOME BUYERS WITH GENERAL INFORMATION ABOUT THE SUBDIVISION AND THE SURROUNDING AREA. THE FOLLOWING IS A LIST OF POTENTIAL CONCERNS THAT HOMEBUYERS MAY HAVE AND THE TELEPHONE NUMBERS AT CITY HALL IF YOU NEED MORE INFORMATION. FOR THE BEST SERVICE, YOU ARE ENCOURAGED TO CALL DURING NORMAL BUSINESS HOURS WHICH ARE 8:30 AM TO 4:30 PM, MONDAY TO FRIDAY.

PLEASE NOTE:

THIS MAP IS BASED ON INFORMATION AVAILABLE ON (SEPTEMBER, 2021) AND MAY BE REVISED WITHOUT NOTICE TO PURCHASERS. HOWEVER, ANY CHANGE IN PERMITTED LAND USE INVOLVES A PLANNING PROCESS, INCLUDING PUBLIC NOTIFICATION IN ACCORDANCE WITH THE PLANNING ACT"

- ii. "The map shows that there will be several types of housing in the subdivision including townhouses, semi-detached dwellings and a mixed-use commercial block. If you have any questions, please call (905) 874-2050 or email planning.development@brampton.ca."
- iii. "Sites shown on the map for future schools, apartments, townhouses, churches, shopping plazas, parks etc. could have driveways anywhere along their street frontage. If you have any questions,

please call (905) 874-2050 or email planning.development@brampton.ca.”

- iv. “Some streets in this subdivision will be extended in the future and temporary access roads will be closed. If you have any questions, please call (905) 874-2050 or email planning.development@brampton.ca.”
- v. “There may be catch basins or utilities easements located on some lots in this subdivision. If you have any questions, please call (905) 874-2050 or email planning.development@brampton.ca.”
- vi. “Some lots and development blocks will be affected by noise from adjacent roads, the railway, industries or aircraft and warning clauses will apply to purchasers. If you have any questions, please call (905) 874-2050 or email planning.development@brampton.ca.”
- vii. “The map shows that some of the lots affected by noise will be fitted with noise barriers and some of the homes will be provided with central air conditioning to allow bedroom windows to be closed if necessary due to the noise. If you have any questions, please call (905) 874-2050 or email planning.development@brampton.ca.”
- viii. “Open Space, Valleys and storm water management ponds in this subdivision will be left in a natural condition with minimal maintenance and no grass cutting, only periodic removal of paper and debris. If you have any questions, please call (905) 874-2050 or email planning.development@brampton.ca.”
- ix. “The final location of walkways, multi-purpose paths, and bike routes may change without notice.”
- x. “Door to door mail delivery will not be provided in this subdivision and Community mailboxes will be directly beside some lots. If you have any questions, please call 1-800-267-1177.”
- xi. “Some streets will have sidewalks on both sides while others will have them on only one side or not at all. If you have any questions, please call (905) 874-2050 or email planning.development@brampton.ca.”
- xii. “The completion of some dwellings in this subdivision may be delayed until after the completion of exterior finishes on the adjacent buildings. If you have any questions, please call (905) 874-2050 or email planning.development@brampton.ca.”

-
- xiii. “There may be Brampton Transit bus routes on some streets within this subdivision with stops beside some homes. The City reserves the right to introduce transit services and facilities such as bus stops, shelters, pads, benches and other associated amenities on any City right-of-way as determined by Brampton Transit to provide effective service coverage. If you have any questions, please call (905) 874-2750 or email transit@brampton.ca.”
- xiv. “Boulevard trees will be planted according to City requirements approximately 12 to 18 metres apart and a tree will not necessarily be located in front of every home.”
- xv. “The offer of purchase and sale may contain itemized charges for features covered in the City’s subdivision agreement. These features may include street trees, driveway paving, sodding, fencing, noise barriers, or gateway features, etc., on the public right-of-way. They may also be described in general terms, such as “community aesthetics enhancements”. Despite paying this charge, the purchaser may be left without a tree on the lot in question. The City does not encourage this type of extra billing and has no control over vendors charging for street trees. If you have any questions, please call (905) 874-2050 or email planning.development@brampton.ca.”
- xvi. “The City will not reimburse purchasers, nor assist in any recovery of moneys paid, under any circumstance.”
- xvii. “Purchasers are advised that despite agreement to furnish the site with street trees, site conditions may prevent the planting of a street tree within the public right-of-way in front of a particular lot. Similarly, site conditions may require that street tree be planted within the private lot rather than within the public right-of-way.”
- xviii. “The design of features on public lands may change. Features shown in the Community Design Guidelines may be constructed as shown or altered, in the City’s discretion, without notification to purchasers. Builders’ sales brochures may depict these features differently from what is shown on the Community Design Guidelines or the as-built drawings. The City has no control over builders’ sales brochures.”
- xix. “The City of Brampton’s Zoning By-law regulates the width of driveways. Please do not have your driveway widened before inquiring about the permitted driveway width for your lot.”
- xx. “There are a number of subdivision homes being constructed in the area. Purchasers are advised that residents may be disturbed by noise, traffic and dust due to construction in the area.”

-
- xxi. “Gates are not permitted in those portions of fences that abut open space, vistas or woodlots”.
 - xxii. “Maple Lodge Farms operates industrial and agricultural uses in the vicinity of the development including, based on current operations, the application of biosolids once every five years on agricultural fields located on the west side of Heritage Road. Purchasers are advised that they may be affected by noise and odor from these operations”.
 - xxiii. “FOR ADDITIONAL INFORMATION ON THE SURROUNDING CONTACT AND COMMUNITY, PLEASE REFER TO THE OVERALL REVIEWVIEW HEIGHTS COMMUNITY INFORMATION MAP.
 - xxiv. “FOR FURTHER INFORMATION, ON PROPOSED AND EXISTING LAND USE, PLEASE CALL (905) 874-2050 or EMAIL PLANNING.DEVELOPMENT@BRAMPTON.CA.”
 - xxv. “FOR DETAILED BERMING AND GRADING INFORMATION, PLEASE CALL THE SUBDIVIDER’S ENGINEERING CONSULTANT.
 - xxvi. FOR DETAILED INFORMATION PERTAINING TO STREETScape, PARKS OR OPEN SPACE, PLEASE CALL THE SUBDIVIDER’S LANDSCAPE ARCHITECTURAL CONSULTANT.”

Growth Management/Staging and Sequencing

Digital Submissions of Plans

2. Prior to draft plan approval, a digital submission of the current draft plan to be draft-approved, shall be provided to the City, in accordance with the Planning and Development Services Department’s digital submission requirements.
3. Further conditions to those set out in Section B below may be provided as a result of the resolution of matters identified in this Section A of the memo

B. DRAFT PLAN APPROVAL REQUIREMENTS/CONDITIONS

The following requirements are applicable as a condition of draft plan approval.

Zoning –Special Provisions

N/A

Final Homebuyers Information Map

1. Prior to registration of the plan, the owner shall prepare a detailed Final Homebuyers Information Map, based on the final M-plan, and approved by the City to replace the preliminary Homebuyers Information Map in all affected sales offices. This map shall contain the following information:
 - a) all of the information required on the preliminary map;
 - b) the locations of all sidewalks and walkways;
 - c) the locations of all rear yard catch basins and utilities easements on private property where applicable;
 - d) the locations of all above ground utilities;
 - e) the locations of all bus stops (if known); and,
 - f) the final locations of all Canada Post community mail boxes;
2. The owner shall ensure that each builder selling homes within the subdivision:
 - a) provides prospective purchasers with a notice from the City in the prescribed format that includes all of the notes required on the Homebuyers Information Maps; and,
 - b) attaches a copy of the preliminary Homebuyers Information Map to each offer of purchase and sale agreement.

Land Notices: Statements and Clauses

3. The owner shall include the following warnings in bold type in all offers of purchase and sale for all lots and blocks within the plan:
 - a) A statement indicating that “Maple Lodge Farms operates industrial and agricultural uses in the vicinity of the development including, based on current operations, the application of biosolids once every five years on agricultural fields located on the west side of Heritage Road. Purchasers are advised that they may be affected by noise and odor from these operations.”
 - b) A statement indicating that this dwelling unit can be fitted with a central air conditioning system at the owner’s option and expense which will enable occupants to keep windows closed if road traffic noise interferes with the indoor activities. If central air conditioning is installed, the air cooled condenser unit shall have an AHRI sound rating not exceeding 7.6 bels and shall be located so as to have the least possible noise impact on the outdoor activities of the occupants and their neighbours.
 - c) A statement advising that despite the inclusion of noise control features in this development area and within the dwelling units, noise due to increasing road traffic on Heritage Road, Steeles Avenue West and/ or Street “A” (Riverview Heights Road) may continue to be of concern, occasionally interfering with the activities of the dwelling occupants as the noise levels

may exceed the noise criteria of the municipality and the Ministry of the Environment.

- d) A statement advising that the acoustical berm and/or barrier as installed shall be maintained, repaired or replaced by the owner. Any maintenance, repair or replacement shall be with the same material, to the same standards, and have the same colour and appearance of the original.
- e) A statement to the satisfaction of Brampton Transit that the City reserves the right to introduce transit services and facilities such as bus stops, shelters, pads, benches and other associated amenities on any City right-of-way as determined by Brampton Transit to provide effective service coverage.
- f) A statement which advises the prospective purchasers that mail delivery will be from a designated Community Mailbox.
- g) A statement indicating that the City of Brampton's Zoning By-law regulates the width of driveways and that owners not widen their driveway before inquiring about the permitted driveway width for the lot.
- h) The following statements:
 - i. "The offer of purchase and sale may contain itemized charges for features covered in the City's subdivision agreement. These features may include street trees, driveway paving, sodding, fencing, noise barriers, or gateway features, etc., on the public right-of-way. They may also be described in general terms, such as "community aesthetics enhancements". Despite paying this charge, the purchaser may be left without a tree on the lot in question. The City does not encourage this type of extra billing and has no control over vendors charging for street trees. If you have any questions, please call (905) 874-2050 or email planning.development@brampton.ca."
 - ii. "The City will not reimburse purchasers, nor assist in any recovery of moneys paid, under any circumstance."
 - iii. "Although the developer is required to provide trees at regular intervals on the public boulevards within this subdivision, local site conditions may not allow for a tree to be planted in front of some homes."
 - iv. "The design of features on public lands may change. Features shown in the Community Design Guidelines may be constructed as shown or altered, in the City's discretion, without notification to purchasers. Builders' sales brochures may depict these features differently from

what is shown on the Community Design Guidelines or the as-built drawings. The City has no control over builders' sales brochures."

- v. "There are a number of subdivision homes being constructed in the area. Purchasers are advised that residents may be disturbed by noise, traffic and dust due to construction in the area."
- i) A statement indicating that this community is subject to Architectural Control. Models available for sale have to be pre-approved by the Control Architect and certain models may not be available for some of the lots. Check with your builder the particular situation for the model and lot you intend to purchase.
- j) The following clauses to the satisfaction of the Dufferin-Peel Catholic District School Board, until the permanent school for the area has been completed:
 - i. "Whereas, despite the best efforts of the Dufferin-Peel Catholic District School Board, sufficient accommodation may not be available for all anticipated students from the area, you are hereby notified that students may be accommodated in temporary facilities and/or bussed to a school outside of the neighbourhood, and further, that students may later be transferred to the neighbourhood school."
 - ii. "That the purchasers agree that for the purpose of transportation to school, the residents of the subdivision shall agree that children will meet the bus on roads presently in existence or at another place designated by the Board."
- k) The following clause to the satisfaction of the Peel District School Board for a period of five (5) years from the date of registration of the plan:
 - i. "Whereas despite the best efforts of the Peel District School Board, sufficient accommodation may not be available for all anticipated students in neighbourhood schools, you are hereby notified that some students may be accommodated in temporary facilities or bussed to schools outside of the area, according to the Board's Transportation Policy. You are advised to contact the School Accommodation Department of the Peel District School Board to determine the exact schools."
 - ii. "The owner shall agree to erect and maintain signs at the entrance to the development which shall advise prospective purchasers that due to the present school facilities, some of the children from the development may have to be accommodated in temporary facilities or bused to schools, according to the Board's Transportation Policy."

-
4. The owner shall notify purchasers of the exact Community Mailbox locations prior to the closing of any sales.

Land Notices: Signage

5. The owner shall erect and maintain signs in the following locations and in the following manner:
 - a) to the satisfaction of The Dufferin-Peel Catholic District School Board at all major entrances to the proposed development the following:

“Notice:
Please be advised that students may be accommodated elsewhere on a temporary basis until suitable permanent pupil places, funded by the Government of Ontario, are available.”
 - b) to the satisfaction of the Peel District School Board at all major entrances to the subdivision which shall advise prospective purchasers that due to present school facilities, some of the children from the subdivision may have to be accommodated in temporary facilities or bused to schools according to the Board’s Transportation Policy. These signs shall be to the Board’s specifications, at locations determined by the Board and erected prior to registration.

Cost Sharing

6. Prior to registration the owner shall sign the Riverview Heights Block 40-3 Cost Sharing Agreement, and provide the City with a written acknowledgment from the Trustee appointed pursuant to the agreement, that the Owner has signed the agreement and has delivered the deeds or made the payments required by the agreement, and that the plan may be released for registration.

Site Plan Approval

7. Approval of site development plans by the City in accordance with the City's site development plan approval procedure shall be a prerequisite to the issuance of a building permit for the proposed development.

Telecommunications

8. The owner shall permit all telecommunications service providers that are a “Canadian carrier” as defined in subsection 2(1) of the Telecommunications Act or a “distribution undertaking” as defined in subsection 2(1) of the Broadcasting Act and have entered into a Municipal Access Agreement with the City (“Telecommunication Providers”) to locate their plant in a common utility trench

within any future public highway within the Plan. A list of Telecommunication Providers can be obtained from the City. Within 10 business days of the delivery of the pre-servicing letter, the owner shall notify all Telecommunication Providers of the Plan and request that the Telecommunication Providers contact the owner directly within 10 business days if they intend to locate their plant within any future public highway within the Plan. The owner shall make satisfactory arrangements (financial and otherwise) with the City, Telecommunications Providers and other utilities for the installation of each of their facilities in a common utility trench within the future public highway prior to commencing any work with respect to any future public highway as shown on the draft approved plan of subdivision, and the owner shall provide evidence of same satisfactory to the City. Until such installation is completed, the owner shall not undertake any works that will limit the ability of any Telecommunications Provider to install its plant in a timely and efficient manner. The owner shall install, at its own expense, 100mm diameter ducts at all road crossing for the use of Telecommunications Providers. The exact location and detailed specifications for these ducts shall be shown on the approved drawings. The owner acknowledges and agrees that the City may refuse to accept or assume any or all streets within the plan until the provisions of this section have been complied with.

9. Prior to commencing any work within the plan, the owner must confirm that sufficient wire-line communication/telecommunication infrastructure is currently available within the proposed development to provide communication/telecommunication service to the proposed development. In the event that such infrastructure is not available, the owner is hereby advised that they may be required to pay for the connection to and/or extension of the existing communication/telecommunication infrastructure. If the owner elects not to pay for such connection to and/or extension of the existing communication/telecommunication infrastructure, the owner shall be required to demonstrate to the telecommunication provider that sufficient alternative communication/telecommunication facilities are available within the proposed development to enable, at a minimum, the effective delivery of communication/telecommunication services for emergency management services.

COMMENTS & CONDITIONS MEMO

Date: November 3, 2020

File: C05W01.005 & 21T-10001B

To: N. Jagtiani, Development Services

From: C. Heike, Park Planning & Development

Subject: **REQUIREMENTS FOR RESIDENTIAL DEVELOPMENT**
Proposed Zoning By-Law Amendment and Draft Plan of Subdivision
(To permit develop the lands for industrial, commercial, and residential purposes, and to recognize the open space features)
Conditions from the Park Planning & Development Section

Consultant: **GLEN SCHNARR & ASSOCIATES INC.**

Owner: **1212949 ONTARIO INC. (ASHLEY PHASE II)**

Location: Lands located north of Steeles Avenue West and east of Heritage Road
Circulation Date: October 29, 2020
Ward: 6

In response to the circulation of the above noted Zoning By-Law Amendment and Proposed Draft Plan of Subdivision application, the following represents a summation of conditions from the **Park Planning and Development Section** in the Parks Maintenance & Forestry Division – Community Services Department.

A. PRIOR TO DRAFT PLAN APPROVAL

The following must be addressed prior to the release of the application for draft plan approval.

Requested Adjustments to Plan:

1. NIL

Tableland Vegetation:

2. Prior to Draft Plan Approval, a **Tree Evaluation Report** will be provided completed in accordance with the City's [Tableland Tree Assessment Guidelines](#) and to the satisfaction of the City.

Identification of Lands to be dedicated to the City for Parks, Open Space:

3. The limits of development shall be finalized to the satisfaction of the Credit Valley Conservation and the City.
4. A minimum 10 m buffer block shall be established to facilitate protection and preservation of the Natural Heritage System (NHS) (Valleyland NHS Block 127). The final width of the buffer shall be established by the approved Environmental Implementation Report/Environmental Impact Study, to the satisfaction of the Credit Valley Conservation and the City.

Sustainability – Park and Open Space Requirements:

5. The Sustainability Score and Summary shall be finalized and approved to the satisfaction of the Director, Development Services. The Sustainability Score and Summary shall comply with the [latest requirements](#) set out by the City for the development of such documents.

B. DRAFT PLAN APPROVAL REQUIREMENTS / CONDITIONS

The Owner is required to address the following prior to the identified milestone, in accordance with City standards, and to the satisfaction of the City.

a) Prior to 1st Engineering Submission:

Hoarding of Natural Features:

6. The Owner shall erect and maintain in good condition, hoarding along the outer limits of the Natural Heritage System (NHS) buffer (Valleyland NHS Block 127), and/or along the drip line of any vegetation identified for preservation in the approved Tree Evaluation Report, to the satisfaction of the City.

b) Prior to Registration:

The following are requirements that the Owner shall be required to fulfill prior to the release of the plan for registration. Items are listed alphabetically.

Community Information Maps:

7. The Owner shall prepare a detailed Homebuyers' Information Map, based on the final M-plan, to the satisfaction of the City.

Fencing:

8. The Owner shall make satisfactory arrangements with the City to provide fencing, at their cost, in accordance with the City Fencing Policy and the approved Urban Design

Brief/Community Design Guidelines (as applicable), for incorporation into the landscape drawings' submission, to the satisfaction of the City.

Maintenance Fees:

9. The Owner shall agree to provide a cash-contribution in accordance with Council Resolution 181-2014 towards the long-term management of all Natural Heritage System (NHS) lands conveyed to the City. The payment shall be calculated at a rate of \$5,000 / hectare of NHS lands conveyed (per the final plan) and shall be documented in Schedule 'G' of the Subdivision Agreement.

Parkland Dedication:

10. Parkland Dedication requirements for the plan shall be in accordance with the Planning Act, R.S.O. 1990, c.P.13 as amended (the Planning Act) and the City's Parkland Dedication By-law, as amended. The current Plan yields a projected Parkland Dedication requirement of 0.090 ha (0.223 ac.), based on Section 51.1 of the Planning Act. This results in a projected Parkland under-dedication of 0.090 ha (0.223 ac.). Prior to registration, the Owner shall be required to compensate the City in accordance with the Parkland Dedication By-law (as amended) and the City's current policies, for the projected under-dedication balance, in the form of a Cash In Lieu of Parkland Payment.

Note: Final calculations will be undertaken as part of the Subdivision Agreement review process and represented in Schedule 'D' of the Agreement.

Plan Requirements for all Public Lands:

11. Prior to plan registration, the Owner shall provide detailed working drawings for all identified NHS, landscape buffer blocks, streetscape planting, and fencing to the satisfaction of the applicable approving departments and in accordance with the latest City standards. Fencing shall be included along holdout properties where they abut the plan, subject to the approval of the existing property owners. The Owner shall comply with both the facility fit/concept plan approved prior to draft plan approval and/or the recommendations of the approved Design Brief.

Streetscape Plans:

12. Prior to plan registration, the Owner shall make satisfactory arrangements with the City, through the Subdivision Agreement and the landscape drawings' submission, to provide street trees along all internal streets within the subject plan and along immediately abutting street, including the implementation of boulevard and buffer planting, and entry features. The Owner shall comply with the recommendations of the approved Urban Design Brief/Community Design Guidelines (as amended and as applicable).

Summary Requirements:

13. Prior to registration, and in conjunction with the final landscape submission, the Owner agrees to provide the City with a detailed summary of all areas of open space, valleylands, woodlots, and buffers including quantities or areas of boulevard and buffer sod, boulevard and buffer trees, shrub beds and irrigation systems that will be installed by the Owner and will become the City's responsibility to maintain.

Tableland Tree Compensation:

14. Prior to registration, the Owner shall provide restoration-planting drawings that detail compensation plantings for tableland trees removed to accommodate the development. Compensation plantings shall be in accordance to current City of Brampton compensation planting standards. Compensation plantings shall be provided by the Owner at no cost to the City.

Tableland Vegetation:

15. The Tree Evaluation Report, shall be finalized and approved in accordance with the City's Tableland Tree Assessment Guidelines, to the satisfaction of the City.

Note: The Owner shall ensure that no trees are removed or damaged prior to by-law approval or during any phase of the servicing and construction of the site, if applicable, without the prior approval of the Planning and Development Services and Public Works & Engineering Departments.

Warning Clauses – NHS, Open Space, etc.

16. Prior to registration, the Owner shall ensure that the builder(s) include a warning clause in all Offers of Purchase and Sale for all Lots or Blocks abutting blocks designated for Natural Heritage System (NHS) open space (Valleyland NHS Block 127) that state:

"The subject blocks (Builder(s) to insert name of block(s) here) may contain active recreational facilities. Purchasers are advised that residents close to these blocks may be disturbed by users and/or facilities within the subject blocks. For more information, please call the City of Brampton's Public Works & Engineering Department at (905) 874-2050.

Warning Clauses – Street Trees

17. Prior to registration, the Owner shall ensure that the builder(s) include a warning clause in all Offers of Purchase and Sale indicating that:

"The Owner is required to provide street trees at regular intervals on all public boulevards within this subdivision. Local site conditions may not allow a tree to be

planted in front of some homes. For more information, please call the City of Brampton's Public Works & Engineering Department at (905) 874-2050.

c) Post Registration:

The following are requirements that the Owner shall be required to fulfill as a condition of plan registration. Items are listed in typical order of completion:

Conveyance of Public Lands:

18. All identified Natural Heritage System (NHS) lands (including associated buffers) shall be gratuitously conveyed to the City in a form and condition satisfactory to the City.

Development of all Public Lands:

19. The Owner is responsible for the development of all dedicated open space (e.g. valleylands, open space and landscape buffer blocks) in accordance with the approved plans and the approved Subdivision Agreement subject to the satisfaction of the City.

Streetscape Implementation:

20. The Owner shall implement, at their expense and to the satisfaction of the City, all works shown on the approved streetscape plans in accordance with the Subdivision Agreement and the approved Urban Design Brief/Community Design Guidelines (where applicable) and will include the implementation of boulevard and buffer planting, and entry features including all structures and planting.

As-Built Drawings:

21. Prior to issuance of final acceptance of all landscape works the Owner shall provide as-built drawings in the form of digital files for all dedicated open space, landscape buffer blocks, etc. The submission of these drawings will meet the latest digital standards as prescribed by the City of Brampton.

d.) Prior to Assumption:

Hazard Removal:

22. Prior to assumption, any material identified in the Tree Evaluation Report as hazardous, or identified for removal for accessibility or safety reasons, and any deleterious materials and debris not normally found in a Natural Heritage System (NHS) lands, whether in a valleyland or other location as determined by the City, shall be removed at the Owner's expense.

C. GENERAL COMMENTS

The following General Comments are provided to assist the Owner. These comments shall be read in conjunction with the Draft Plan conditions (Section B).

Parks and Open Space Naming:

23. Names for all identified park, open space and stormwater management blocks shall be incorporated in to the Recommendation Report, for Council's approval. In this regard, the following blocks have been identified and the following names are recommended:

- a) NHS Valleyland Block '127' shall identified as part of the existing "Prairie Creek Valley" (the other portion being on the Phase I lands).

Note: Park Planning & Development will identify and finalize names for the identified blocks, in conjunction with the Owner, Development Services and in accordance with the Parks and Open Space Naming Policy, prior to incorporation into the Recommendation Report.

If you have any questions or require further clarification with respect to the Park Planning & Development comments, please contact the undersigned.

COMMENTS AND CONDITIONS MEMO

Transportation Development Engineering

Date: August 03, 2021
File: **City File: C05W01.005 - Ashley Phase II lands, 21T-21T-10001B**
To: Nitika Jagtiani
From: Scott McIntyre (Transportation Development Engineering)
Subject: Requirements for Plan of Subdivision 21T-10001B
Description Industrial, Commercial & Residential
Applicant Name GSAI - Glen Schnarr & Assoc.
Developer Name Ashley Group
Location Boundary Creek Path & Brasstown Valley Trail

Circulation Date:

Plan: Draft Plan of Subdivision

Plan Dated: Nov 14, 2018

Comment Revision #: **#1**

A. PRIOR TO DRAFT PLAN APPROVAL

1. The applicant will submit fully dimensioned functional design drawings for any permanent or temporary cul-de-sacs, roundabouts, intersections and road connections proposed within the subdivision, to ensure they meet all current city standards. Cul-de-Sacs are to adhere to City standard drawing #214.
2. The applicant shall provide a conceptual sighting plan for proposed school blocks, place of worship blocks and commercial blocks, if any.
3. The city's subdivision design manual (2008) stipulates a minimum 3.5m width for single vehicle driveways. Driveways less than 3.5m width and garages less than 3.5m width are not sufficient to adhere with the city's minimum two parking spaces per unit minimum requirement. As a result, our office requires driveways and garages to not measure less than 3.5 metres width for single vehicle driveways.
4. Driveways are to measure a minimum 6.0 metre length between the property line and the garage, and/or between the garage and the private sidewalk, or travel portion of the private right-of-way.
5. A separate drawing is to be submitted depicting sidewalks, intersection daylighting dimensions, intersection curb radii, road elbows and driveway locations. Daylighting, curb radii, road elbows and driveway locations will be required to meet the current City standards.
6. A separate drawing is to be submitted depicting on-street parking supply. Developer must supply 50% ratio (50% of on-street parking to the number of units).

7. Amend the draft plan to correct the Brasstown Valley Path right-of-way (ROW) dimensions from the 17.0m depicted to the required 20.0m ROW. Note, the ROW is wider at the Rivermont intersection for lane accommodation.
 - Identify any ROW changes or additional roads that need to be added to the draft plan.
 - Further conditions to those set out in Section B below may be provided as a result of the resolution of matters identified in this Section A of the memo.

B. DRAFT PLAN APPROVAL REQUIREMENTS/CONDITIONS

8. 0.3m Reserves will be required on Industrial, Commercial, Institutional, School, High-Density lots, across the terminus of roads to be later extended, and at the ends of Cul-de-sacs.
9. The applicant is required to provide a drawing depicting Canada Post community mailbox locations and identifying their catchment areas. This drawing is required with the first engineering submission.
10. The applicant will remove the existing temporary cul-de-sacs and will reinstate the boulevard, side walk, and curbs when extended. The applicant is required to submit a cost estimate and 100% of the cost shall be secured in the form of a Letter of Credit.
11. Cost Sharing agreements to be finalized for spine roads, where necessary.
12. Driveways width requirements are: 3.5m (single), 6.0m (double), 7.3m (shared).
 - a. Similarly, driveway requirements for double (6.0 metres) and shared (7.3 metres) will also be enforced.
13. Single Garage width requirement is 3.5m minimum. In addition to vehicles, garages must accommodate the recently introduced regional waste and recycling bins.
14. Prior to registration of the subdivision, curb radii are to adhere to City standard drawing #245. Where applicable this includes laneways where the minimum allowable curb radius is 7.5 metres.
15. Prior to registration of subdivision road elbows must adhere with City standard drawing #215.
16. Prior to registration of the subdivision the applicant shall ensure that lot frontages and dwelling layouts are such that no driveway will intersect, including any portion within the road allowance.

C. GENERAL COMMENTS

17. Temporary cul-de-sacs may be required. The applicant will acknowledge and provide cul-de-sacs on a temporary basis if deemed necessary by the City. The applicant may be required to obtain easements should it be necessary to locate the cul-de-sacs on adjacent lands. Further comments regarding cul-de-sacs may be forwarded during the engineering review process.
18. The applicant is required to provide for Canada Post community mailbox locations and identify locations on a separate drawing. This may include providing lay-bys for locations at or near intersections. The city requires accommodation for Canada Post

facilities on minor roads only, and not near busy intersections, in order to provide a safe environment for residents/users.

19. Driveways shall not to encroach within intersection daylighting (rounded or triangles), and/or all driveway locations shall adhere to the residential zoning bylaw.
20. Vertical curves – grade changes in excess of 2% must be designed by means of a vertical curve for the design speed specified and depicted on the first engineering drawings to the satisfaction of the commissioner of Public Works.
21. Road alignments - the horizontal and vertical alignments of all roads, including their intersection geometrics, shall be designed to the latest City standards and requirements. In this regard, minor revisions to the road pattern and intersection alignments may be required.
22. Prior to registration, the City, at its own discretion, may require the early dedication of all roads, or portions thereof.
23. Registration of the Plan may be dependant of the prior registration of adjacent plans for servicing and access reasons.
24. Driveway minimum separation from adjacent property lines unless coupled is 0.6 metres.
25. Utility clearance of 1.5 metres from residential driveways is required.

Regards,

Scott McIntyre

Subject: RE: C05W01.005 - Asheley Phase II lands - Urgent Request - comments and conditions memo for PDC meeting

Sensitivity: Normal

Hi Nitika,

Sorry for the late response. It appears that this item got missed while I was away on vacation. Below are Transit's comments for Phase 2 lands:

Please note that this proposed development is currently outside Brampton Transit's service area and exceeds the 400 metre walking distance standard to transit service. Transit services will not be provided to this development until such time that Rivermont Road and the surrounding development is completed. Purchasers are advised that there may be longer than usual walking distances to access transit, until such time as the road network has been completed.

Thank you,

Michelle Lui

Subject: C05W01.005 - Asheley Phase II lands - Urgent Request - comments and conditions memo for PDC meeting

Hello Everyone,

Hope you are well.

We note that the above noted application was previously approved, in principle, by Council in October 2011; and thereafter draft approved in December, 2015. However, a portions of the lands were not draft approved with any residential lots, but rather with Future Development Blocks, Block 96 (Residential) & 97 (Open Space), due to their location within Secondary Plan Special Policy Area 16 (SPA 16).

We aim to take a Supplementary Recommendation Report to the September PDC Meeting. My deadline for David V. to review the report is Tuesday, August 3rd. However, while working on the appendices and trying to amend the Notice of Decision of Draft Approval (initial Phase I), David and I felt that it would be best to have the comments for Block 96 and 97 separately. So, I am preparing a supplementary set of conditions for the Phase II lands and will append all the comments and conditions memo to Schedule A.

I know this is so last minute... but any feedback at this time is much appreciated, please provide me your comments and conditions memo at your earliest convenience. I hope **Friday August 6th, 2021** is sufficient time to add it to the report. Thanks!

To assist you further, please see attached Draft Plan of Subdivision for this applicaiton and Notice of Decision of Draft Approval (original for registered Phase I)

FY!! Allan is leaving for Vacation on August 9th so we have to submit our reports for the September meeting soon.

Also, if you see I am missing anyone, please forward my request to the correct person and CC me on it.

Thank you once again for helping me on this application. I really appreciate all your help at this time. And, sorry for the rush.

Kind regards,

Nitika Jagtiani MES (PI.), LEED AP ND

Planner I, Planning, Building and Economic Development
City of Brampton | 2 Wellington Street West | Brampton, Ontario | L6Y 4R2
T: 905.874.3847 E: Nitika.Jagtiani@Brampton.ca

The City of Brampton is updating the current Official Plan to guide land use and development to 2051, this new Official Plan will be called the *Brampton Plan*. If you would like to receive information regarding the Official Plan review please email us at opreview@brampton.ca.

COMMENTS AND CONDITIONS MEMO

Date: July 04, 2019

File: C05W01.005 & 21T-10001B

To: Rob Nykyforchyn

From: Madhuparna Debnath

Subject: Application to amend the Zoning By-Law and proposed draft plan of subdivision (Residential lands subject to Maple Lodge Farms Special Policy Area 16 sensitive land use separation requirements).

Applicant: Glen Schnarr & Associates Inc. 1212949 Ontario Inc.

Location: Lands located north of Steeles Avenue & east of Heritage Road.

In response to the circulation of the above noted application, the following represents a summation of comments and conditions from the Urban Design Section with respect to matters dealing with urban design.

A. PRIOR TO DRAFT PLAN APPROVAL

The following shall be addressed prior to the release of the application for draft plan approval.

1. The applicant agrees to implement the provisions of Brampton's "Architectural Control Guidelines for Ground Related Residential Development" as contained in Chapter 7 of the "Development Design Guidelines", and to adhere to and implement the Architectural Control Protocol Summary (Appendix 2 - Architectural Control Report), as per By-Law 177-2008, including:
 - a) Selecting an approved Control Architect from the short list of firms established by the City;
 - b) The approval of site specific Architectural Control Guidelines to the satisfaction of the City;
 - c) Organizing an information meeting with builders, designers, key stakeholders and City staff to identify the City's expectations, key issues, the Architectural Control Compliance process and milestones. Written confirmation of the participants' attendance and their understanding of the entire process will be provided to the City;
 - d) That, the Control Architect shall provide a Clearance Letter to the City, certifying their preliminary review and approval of models;

B. DRAFT PLAN APPROVAL REQUIREMENTS/CONDITIONS

The following comments / requirements are applicable as a condition of draft plan approval.

2. Prior to Registration, the applicant agrees:
 - e) To pay all associated fees to the City as per By-law 110-2010;
 - f) That the Control Architect provide to the City, prior to the Issuance of a Building Permit, a Clearance Letter certifying their final review and approval of all models and site plans to be developed within the registered plan of subdivision;
(The Control Architect shall ensure that their signed and dated Architectural Control Review Stamp is affixed to all approved elevation and site plan drawings.)
 - g) That the Control Architect provide to the City, prior to Subdivision Assumption, the following:
 - 1) Annual Site Monitoring reports;
 - 2) Final Completion Letter;
 - 3) Submission of a copy of the Control Architect's Project Binder.

C. GENERAL COMMENTS

The following general comments are provided to assist the developer in the preparation of the related drawings, finalization of any required studies or resolution of any identified issues.

If the draft plan of subdivision is deviating from the approved Block Plan, please provide a priority lot plan.

If you have any questions or require further clarification with respect to the above comments, please contact the undersigned.

Thanks,

Madhuparna Debnath

COMMENTS AND CONDITIONS MEMO

Date: August 11, 2021
File: **(C05W01.005 File and 21T- 10001B)**
To: Nitika Jagtiani
From: Olti Mertiri
Subject: **Requirements for Plan of Subdivision 21T-10001B
Ashley Group**
Circulation Date: July 2021
Plan: Draft Plan of subdivision
Plan Dated: November 14, 2018

In response to the circulation of the above noted application, the following represents a summation of comments and conditions from the Engineering and Development Services/Development Approvals (Engineering & Environmental) with respect to matters dealing with development and environmental engineering.

A. PRIOR TO DRAFT PLAN APPROVAL

The following shall be addressed prior to the release of the application for draft plan approval.

- The following studies shall be approved in support of servicing for this development.
 1. **Functional Servicing Report (FSR)**
 2. **Feasibility Noise Report**
 3. **Phase 1 Environmental Site Assessment (Phase 1 ESA) and Phase 2 Environmental Site Assessment (Phase 2 ESA) if required.**

- Further conditions to those set out in Section B below may be provided as a result of the resolution of matters identified in this Section A of the memo

B. DRAFT PLAN APPROVAL REQUIREMENTS

The following comments / requirements are applicable as a condition of draft plan approval.

1. Environmental Engineering

1.1. Acoustic

- 1.1.1. As part of the first engineering submission, the owner's consultant shall submit a detailed noise report prepared by a qualified acoustical consultant recommending noise control measures satisfactory to the Engineering and Development Services Division, in consultation with the Region of Peel as necessary. A copy of the report shall also be provided to the City's Chief Building Official.
- 1.1.2. The noise control measures and noise warnings recommended by the noise report shall be implemented to the satisfaction of the Engineering Division.
- 1.1.3. As part of the first engineering submission, the owner shall prepare and submit a Noise Attenuation Statement. A copy of the final approved Noise Attenuation Statement shall also be provided to the City's Chief Building Official.
- 1.1.4. The owner will include the following clause in the Noise Schedule of the Subdivision Agreement: "Prior to the issuance of any Building Permits, the owner agrees to provide the City's Chief Building Official with a certificate certifying that the builder's plans for each dwelling unit to be constructed on the plan shows all of the noise attenuation works required by the approved noise report and the approved plans.

1.2. Environmental

- 1.2.1. Prior to the initiation of any grading or construction on the site the owner shall install adequate sediment and erosion control measures to the satisfaction of the City of Brampton and Credit Valley Conservation Authority. These measures shall remain in place until all grading and construction on the site are completed.

1.3. Stormwater Management

- 1.3.1. Prior to the initiation of any site grading or servicing and as part of the first engineering submission, the owner shall provide a Stormwater Management Report which describes the existing and proposed stormwater drainage systems for the proposed development.

2. Road Reconstruction/Cash Contributions

- 2.1. The owner agrees to provide cash-in-lieu for any infrastructure internal to the plan that cannot be feasibly constructed, to the subdivision limits, due to grading and/or other servicing constraints. The value of the cash-in-lieu shall be established by the City's

Commissioner of Public Works & Engineering or designate prior to the registration of the subdivision.

3. Financial Impact

3.1. Development charges will be made payable to the City in accordance with the Development Charges By-law in effect at the time of payment.

3.2. No credits are anticipated with respect to the Transportation Component of the City Per Unit Levy to be assessed to this development.

4. Sidewalks

4.1. Prior to the first engineering submission, the owner shall submit a sidewalk and parking plan.

5. Land Dedications and Easements

5.1. Sufficient right of way for all roads associated with the plan, land dedications and easements required for proper servicing of the plan shall be granted gratuitously to the appropriate authority. The precise limits of the required land dedications and easements are to be determined to the satisfaction of the City's Ontario Land Surveyor.

6. 0.3 Metre Reserves/Reserve Block(s)

6.1. The 0.3 m reserves and reserve blocks are to be deeded gratuitously to the City.

7. Warning Clauses

7.1. Warning clauses are to be included in the Agreements of Purchases and Sale and registered on the title of all affected lots and blocks noting:

7.1.1. Any noise control features required to meet the noise level objectives of the City, to the satisfaction of the City, with respect to all noise sources,

7.1.2. Any walkways or retaining walls that may evolve on the plan,

7.1.3. The possibility of future transit routes within the internal collector/local road network to serve the residents of this community, including possible establishment of transit stops and platforms,

8. Soil

8.1. Prior to the registration of this plan or any phase thereof, the owner shall provide a copy of a Record of Site Condition and confirmation of the filing of the Record of site Condition in the Environmental Site Registry.

C. GENERAL COMMENTS

The following general comments are provided to assist the owner in the preparation of the related drawings, finalization of any required studies or resolution of any identified issues.

1. Subdivision Agreement

The owner will be required to enter into a Subdivision Agreement with the City for the construction of municipal services associated with these lands. The underground and aboveground municipal services are to be constructed in accordance with the latest O.P.S. and/or City standards and requirements, as applicable. Development of the lands shall be staged to the satisfaction of the City.

The owner will be required to provide the City with comprehensive insurance coverage, a financial guarantee for the installation of municipal works and maintain the municipal works in accordance with Clauses 27 Insurance, 24 Financial and 17 Maintenance Periods respectively, of the applicable standard Subdivision Agreement.

2. Site Grading/Erosion and Sediment Control By-law

The owner will be responsible for the proper drainage of all lands abutting the plan. An overall lot/block grading plan must be prepared by the owner's Engineering Consultant to form part of the Subdivision Agreement.

Draft Plans which are within 30 metres of the watercourse and/or which are comprised of an area in excess of 1 hectare shall be subject to the provisions of the Fill By-law No.143-95, as amended. The owner will be required to apply for and obtain a Fill Permit prior to undertaking any land stripping or regrading activities within these lands. An irrevocable letter of credit is required to cover 100% of the estimated cost of site control measures plus 10% allowance for contingencies, as per Schedule 'A' to the By-law.

3. Storm Drainage

Storm sewer works including connections to each lot and building block shall be designed in such a manner and be of adequate size and depth to provide for the drainage of the weeping tiles, for the development of all lands lying upstream within the watershed and/or provide for the drainage of such areas as may be designated by the Commissioner Public Works & Engineering.

As a part of detailed processing of servicing submissions, the owner's consultant will be required to include a drawing outlining the proposed overland flow route on these lands. The internal route is to coincide with roadways as much as possible. Should this route direct drainage along a lot's side lot line, the size of the concerned lot(s) is to be increased in width to account for this route in addition to the usual lot sizes. All overland flow routes to be located on private lands shall be covered by a municipal easement to the satisfaction of the City and the appropriate Conservation Authority.

All storm drainage shall be conducted to an outlet considered adequate in the opinion of the Commissioner of Public Works & Engineering.

4. Sanitary and Water Service

Prior to servicing or registration of the plan, the Region of Peel is to confirm that all portions of this plan will be provided with adequate water and sanitary servicing.

5. Soil Conditions

The owner is required to retain a Geotechnical Consultant to prepare a detailed Soils Report. At first engineering submission, the Soils Report will be reviewed by the City and Ministry of Environment and Energy if necessary. Prior to the registration or servicing of this plan, the approved procedures are to be incorporated into the Subdivision Agreement.

6. Streetlighting

Streetlighting is to be provided by the owner in accordance with the City's latest standards and requirements. In addition to streetlighting within the plan, the facilities at the intersections of the proposed road(s) with the boundary roads are to be examined and if necessary, upgraded.

7. Signs

All street and traffic signs required for this plan are to be supplied, erected and maintained in accordance with the provisions of the Subdivision Agreement by and at the expense of the owner.

8. Utilities

Prior to preservicing and/or execution of the Subdivision Agreement, the owner shall name his/her telecommunication provider. In addition, as part of the first engineering submission, the City will also request telecommunications providers that have entered into a Letter of Understanding or a Municipal Access Agreement with the City whether they intend to install their plant within the streets of the proposed subdivision.

The owner covenants and agrees that it shall permit the telecommunication providers named by the City to locate their plants within the streets of the proposed development.

The owner, under separate arrangements or agreement with the various utility companies, is to determine the precise extent of their requirements.

Prior to execution of the Subdivision Agreement, the owner must submit in writing evidence to the Commissioner of Public Works & Engineering that satisfactory arrangements have been made with the Telecommunications provider, Cable TV, Gas and Hydro for the installation of their plant in a common trench, within the prescribed location on the road allowance.

Any utility relocations necessary in support of the development of the Draft Plan of Subdivision shall be carried out by and at the expense of the owner.

9. Removal of Existing Buildings

The Security & Payment Statement of the Subdivision Agreement is to include sufficient securities to guarantee the removal of any existing buildings within the plan that will not conform to the requirements of the Zoning By-law after registration of the plan.

10. City Road Maintenance/Construction Access

The owner will be responsible for maintaining City Roadways within and in the vicinity of this development in a state satisfactory to the Commissioner of Public Works & Engineering until all construction and building activity is complete. Securities shall be included in the Security & Payment Statement of the Subdivision Agreement.

A construction access and the route for same will be finalized during processing of detailed engineering submissions. The construction access shall remain open at the discretion of the Commissioner of Public Works & Engineering.

11. Road Design

All internal roads shall be constructed by the owner and shall have asphalt pavement complete with concrete curbs and gutters designed and constructed in accordance with the latest O.P.S and /or City standards and requirements, as applicable.

The horizontal and vertical alignments of all roads, including their relative intersection geometrics, shall be designed to the latest City standards and requirements. In this regard, minor revisions to the road pattern may be required to accommodate intersection alignments and locations specified for bus bays and loading platforms.

All connecting roads shall be located such that they align precisely with their continuation beyond the limits of this Draft Plan.

12. Sodding of boulevards and private Lands/Maintenance of Undeveloped Lands

All portions of road allowance not covered by roads, sidewalks, splash pads, etc. shall be placed with 150 mm of topsoil and sodded with number 1 nursery sod.

The owner is to provide the City with securities to ensure that each of the lots will be sodded and topsoiled to City standards with driveways being provided. A security is to be established at time of detailed processing and is to be maintained with the City until substantial completion of the lots, and the securities reduced at the discretion of the Commissioner of Public Works & Engineering.

Lots and blocks with which there are no immediate development proposals shall be graded, seeded and maintained to the satisfaction of the Commissioner of Public Works &

Engineering, and securities shall be included in the Security & Payment Statement of the Agreement to guarantee this.

13. Acoustical

At first engineering submission, the owner is to submit a Noise Report prepared by an Acoustical Consultant. The report is to address methods of dealing with acoustical aspects evolving from all the noise sources. The report should also detail the type of noise attenuation that will be implemented for all noise sources.

14. Community Postal Boxes

Community Postal Delivery Box locations are to be shown on the servicing drawings in locations approved by Canada Post and are to be installed to City & Canada Post requirements by the owner when required by Canada Post or when constructing aboveground works, whichever is appropriate.

15. Preservicing

Preservicing will not be permitted until arrangements have been made to the satisfaction of the Commissioner of Public Works & Engineering for the necessary outlets for the municipal services and adequate access roads to service the lands. In addition, preservicing will not be permitted until the zoning for the development of the lands is in effect or has been approved by the Local Planning Appeal Tribunal.

Any external land dedications or easements required to service the property must be obtained by the owner and conveyed gratuitously to the City or the Region prior to the commencement of Preservicing of the lands.

COMMENTS AND CONDITIONS MEMO

Date: July 30, 2021

File: 21T-10001B and C05W01.005 (Phase 2)

To: Nitika Jagtiani

From: Anthony Magnone

Subject: Requirements for
1212949 Ontario Inc. (Ph.2)

In response to the circulation of the above noted application, the following represents a summation of comments and conditions from the **BUILDING DIVISION** with respect to the above matter.

A. PRIOR TO DRAFT PLAN APPROVAL

The following shall be addressed prior to the release of the application for draft plan approval.

- Not Applicable

B. DRAFT PLAN APPROVAL REQUIREMENTS/CONDITIONS

The following comments / requirements are applicable as a condition of draft plan approval.

- Not Applicable

C. GENERAL COMMENTS

The following general comments are provided to assist the developer in the preparation of the related drawings, finalization of any required studies or resolution of any identified issues.

- **Prior to registration of the Plan, or any phase thereof, provide a final version of the detailed soils investigation of the site prepared, signed and sealed by a qualified Geotechnical Engineer.**

Building Removal

- Prior to registration, the applicant shall remove any existing buildings on the site.

Exposed Basements

- Where a building style incorporating an exposed basement is proposed, the external treatment of the exposed basement shall be consistent with the exterior treatment of the balance of the structure.

Fire Break Lots

- For those lots designated as fire break lots by the Building Division the erection of the superstructure shall be permitted only upon the approval of the Chief Building Official.

Foundations

- Prior to the issuance of any building permit, the applicant shall provide an engineering report, to the satisfaction of the Chief Building Official, indicating special foundation requirements, if any, to support structures that may be erected on disturbed ground or lots where filling has occurred.

Noise Abatement

- **Prior to registration**, site plan approval, and prior to the applicant entering into any purchase and sale agreements, the applicant shall engage the services of a qualified acoustical consultant to complete a noise study recommending noise control measures satisfactory to the City (and Region of Peel when requested by the Region). A copy of this report shall be provided to the City's Chief Building Official.
- The noise control measures and noise warnings recommended by the acoustical report shall be implemented to the satisfaction of the City of Brampton. (and Region of Peel as required)
- **Prior to registration** and site plan approval the applicant shall prepare a Noise Attenuation Statement, a copy of which shall be provided to the City's Chief Building Official.
- **Prior to the issuance of any building permits**, the applicant shall provide the City's Chief Building Official with a certificate certifying that the builder's plans for each dwelling unit to be constructed on the plan shows all of the noise attenuation works required by the approved acoustical report and the approved plans.

Municipal Addressing

- **Prior to registration**, the applicant shall provide confirmation that the digital submission requirements and GIS requirements for the submission of the proposed final M-plan (CAD file) are complete and uploaded in the City's GIS system. Refer to the attached link for clarification:

https://www.brampton.ca/EN/Business/planning-development/Documents/e-Forms/DevServ/ZB_OP_Amendment_Application_Package.pdf

If you have any questions or require further clarification with respect to the above comments, please contact the undersigned.
