As a follow-up to our recent discussion, on behalf of Schlegel Villages we are requesting a deferral of the above-noted Staff Report included on the forthcoming July 25, 2022 Planning & Development Committee meeting agenda. The reason for the deferral request is to allow for further community engagement with our neighbours this fall following the summer holidays. Despite the extensive public consultation to date, we understand that several residents have remaining concerns with the proposal. Once we have completed our further consultation, we will request that the Staff Report be listed on a subsequent Planning & Development Committee agenda.

We appreciate consideration of the deferral request and apologize for any inconvenience.

Yours truly,

**WELLINGS PLANNING CONSULTANTS INC.**
