**Subject:** FW: [EXTERNAL]I DO NOT SUPPORT THE BAN ON FIREWORKS

**Subject:** [EXTERNAL]I DO NOT SUPPORT THE BAN ON FIREWORKS

To whom it may be concerned

Fireworks are a federally legal product and deemed safe by the government of Canada, when used according to label instruction and common sense. The federal government has made it legal in the province and municipalities to take away our rights to celebrate with fireworks is not justified. Fireworks have been around for centuries even Toronto hosting the Festival of Lights for many years. We as a community should be looking for more reasons to gather and add fireworks to every celebrate.

In reviewing the municipalities I have noticed that each city has different rules for Fireworks including for Diwali in specific. Let's all come together to recognize this important holiday. For other religions they get a full public federal and provincial holiday for Christmas and the other religious days, with pay to ask for the permission to celebrate the Festival of Lights is unfair.

With the separation of Covid 19 vivid in our minds, we should be looking at every way to celebrate and return to normal life. Fireworks has been a tradition not only in Canadian families but also with the many immigrants that have joined our vast melting pot here. Fireworks light up the sky in the most beautiful yet harmless way.

Diwali this year was time many families were able to gather in mass numbers and see family in person that were isolated for many reasons. The happiness it brought to so many can be measured. This Diwali was celebrated more than ever before because we were unable to do anything for the last 2 years.

The fact that City Hall is even trying to fast track the ban on fireworks is beyond unfair and gives great cause for concern.

I AM NOT IN SUPPORT OF BANING FIREWORKS!

Thank you in reading this. Please join me, our fellow neighbours and friends in fighting against Brampton and any city in Canada trying to take away a tradition almost as old as time.
