Carried

CW376-2022

Whereas the City of Brampton allows residents the use of short-range fireworks on their private property four times a year (Victoria Day, Canada Day, Diwali and New Years Eve); and

Whereas the City of Brampton currently has city-run events with fireworks on Canada Day and New Years Eve; and

Whereas the current firework permit process allows for the issuance of permits for special events and the film industry; and

Whereas staff have identified a significant growth related to the number of fireworks related complaints since 2019; and

Whereas in a staff report from June 10, 2022, staff indicated that a complete ban on permitted fireworks would remove enforcement ambiguities surrounding height of effect and location of use as all fireworks purchased, sold, possessed or discharged unless a Fireworks Permit was issued;

Therefore be it resolved that:

1. The City of Brampton amend the Fireworks By-Law to prohibit the use, purchase, discharge, possession, sale and offer to sell all fireworks including Consumer Fireworks, Display Fireworks, Pyrotechnics and Prohibited Fireworks for all uses (except those outlined in clause 2) effective immediately; and
2. The current firework permit process be amended to only be applicable to the film industry and City run events; and
3. The City of Brampton increase the fines for discharge, sale, and offer to sell fireworks as per the chart below; and

Description	Current Administrative Penalty	Proposed Administrative Penalty
Discharge or be in possession of fireworks	\$350.00	Minimum \$500.00
Sell or offer for sale fireworks	\$350.00	Minimum \$1000.00

4. Staff be directed to implement a fireworks ban awareness campaign through the City's Strategic Communications Division with a cost of \$20,000 to be included in the 2023 budget process; and
5. Staff add an annual City-run Diwali event with Pyrotechnics and/ or fireworks similar to Canada Day and New Years Eve fireworks and pyrotechnics displays; and
6. Events and Protocol staff and Sponsorship staff work with local partners to invest in the City-run Diwali event to support a vibrant, fun and safe event for residents to enjoy; and
7. Staff report back on:

- a. The feasibility of an enforcement “blitz” for New Years Eve 2022 with additional 311 staff and staff for proactive enforcement including the possibility of utilizing City of Brampton Property Standards Officers or enforcement officers from neighbouring jurisdictions to assist with service requests for the day; and
- b. The justification and maximum fines that can be laid for the discharge and sale of fireworks through the AMPS system.

9.3.1 **CW389-2022**

Whereas election signs are regulated and enforced by the municipality;

Whereas in Brampton, the existing sign by-law only permits election signs on private property with specific regulations on size, placement, timing and quantity per candidate, and does not permit election signs on public property;

Whereas research and experience demonstrate no real correlation between the number of election signs for candidates and results related to voter turn-out or candidate support;

Whereas the City of Brampton report dated 2021-05-17 (Impacts Associated with Illegal Election Signs) and recent verbal update from staff at the Special Council Meeting on November 16, 2022, share that over the past many elections, including the 2018, 2019, and 2022 municipal, provincial and federal elections, Brampton's election sign regulations are consistently being contravened;

Whereas despite candidate guides and education seminars offered through the City Clerk's Department, the volume of contraventions continues to grow;

Whereas a large number of these complaints pertained to signs placed on public property, including boulevards and parkland, excessive signage on residential and non-residential properties, billboards exceeding 2m² in sign area, signs placed on City fences or noise walls, and signs displayed for more than 72 hours after the close of the election;

Whereas contravention of election sign regulations raise a number of concerns in relation to visual clutter, driver distraction, visibility and public safety when located at intersections and/or near driveway access points;

Whereas costs associated with election signs are significant and can cost a campaign up to 50% or more of the expense limit and significant volunteer effort and time to install, manage, and replace signs during the campaign period in order to stay competitive using this campaign tactic;

Whereas campaigns for candidates in all elections have experienced an increase of sign tampering, including vandalism, theft and misplacement;

Whereas illegal signage also has an impact on municipal resources for enforcement, with an average cost to the City of investigating and prosecuting an illegal municipal election sign at approximately \$125.00 to \$130.00 per sign;

Whereas a significant amount of resources are spent on enforcement, investigation and in collecting the fines associated with illegal signs and sunk costs associated with such work is never fully recuperated;

Whereas it is within the municipality's jurisdiction to regulate and enforce the use of election signs and the provincial and federal government do not provide resources to help cover the costs borne by the municipality to enforce illegal election sign activity resulting from their respective elections;

Whereas alternate tactics for campaigns and options for residents to express their support for specific candidates or third parties exist other than election signs placed on lawns;

Whereas the placement of election posters at a residential window instead of election signs on lawns provides residents with the option to express their support for any particular candidate or third party but also prevents sign tampering, illegal placement, visual clutter, driver distraction, and public safety issues, etc.

Whereas election posters are less expensive and more environmentally friendly than election lawn signs;

Therefore Be It Resolved that as per City Staff Report issued on 2021-05-17, Option 1 be adopted to amend the Sign By-law to only permit the display of election posters in windows or in windows in doors with this restriction applying to all private property, including residential and non-residential lands. Only exempting election posters displayed from the interior of the building and restricting the use of all exterior election signs for candidates and third parties; and

That the amended sign by-law apply to all future elections; and

That staff recommend an increase to fines associated with illegal election signs in order to deter and recuperate costs associated with illegal signs.
