Subject Matter
to be Discussed:

Loss of green space. There are only trees left on entire Hwy 50.
- Serious concerns on losing privacy because of public space in front.
- increased traffic leading to hazardous conditions to kids as this area has so many small children playing outside.

Action
Requested:

This part of neighbourhood has no parks and that's the only green patch providing some fresh air during summers and fall without which only pollution increases because of HWY 50. Creating a public place like this only adds to pollution leading to health problems for residents.
