Att: Jeanie Committee Members.

This is Karen Tyrrel and Chetwin Denny written submission package to Secretary-Treasurer.

Here is one of two packages firmly disagreeing with the Application to Sever a parcel into 2 x 29.76ft lots.

Here is only a small sample of comparable Detached Properties within the blue zone (Downtown) within the area of the subject property.

David street on average lot sizes is above 38.00ft minimum -50.00 ft X 158.00ft deep, the blue zone (Downtown) the average lot size 40.00 ft plus.

Other considerations setbacks, fire break between properties, lot elevation, adjacent properties encroachment, 2 x 2 storey height.

I strongly suggest that Committee Members/City of Brampton Engineer to conduct a site inspection and due diligence.

Regards
Chet
