

General:

Fees may have rounding treatments.

HST may be added to the fees listed in this Schedule.

Abbreviation – Meaning

AGCO - Alcohol & Gaming Commission of Ontario

MVC - Motor Vehicle Collision

MVF - Motor Vehicle Fire

NFPA - National Fire Protection Association

RSMP - Risk and Safety Management Plan

USWG - US Water Gallons

Detailed descriptions for Fire & Emergency Services user fees are as follows:

Motor Vehicle Collision (MVC) - King's Highway & ETR/407 Highway

- If Fire and Emergency Services attends at the scene of a motor vehicle collision or motor vehicle fire, on any property designated as a King's Highway or ETR/407 and provides firefighting or other emergency services, the Corporation shall charge the fee stipulated in this fee schedule to any one or more of the following: the driver, the owner and the insurance company, the Ministry of Transportation, the ETR/407, in order to recover full payment of the stipulated fee. Motor Vehicle Collision user fee rates are based on the remuneration rate for fire response service as approved by the Ministry of Transportation, which shall be adjusted annually effective January 1st of each year based on the most recent remuneration rate approved by the Ministry of Transportation.

Motor Vehicle Collision (MVC) - Non-Resident, Brampton City Streets

- If Fire and Emergency Services attends at the scene of a motor vehicle collision or motor vehicle fire, on any property under the jurisdiction of the City of Brampton and provides firefighting or other emergency services, the Corporation shall charge the fee stipulated in this fee schedule to any one or more of the following: the driver, the owner and the insurance company, the Ministry of Transportation, the ETR/407, in order to recover full payment of the stipulated fee. Motor Vehicle Collision user fee rates are based on the remuneration rate for fire response service as approved by the Ministry of Transportation, which shall be adjusted annually effective January 1st of each year based on the most recent remuneration rate approved by the Ministry of Transportation.
- In the case of a multiple vehicle collision, where those drivers involved consist of a Brampton resident and a non-resident, the fee billed to the non-resident shall be pro-rated.
- Example:
 - (1) Two vehicle collision, one resident and one non-resident: billing shall be only 50% of the total cost recovery fees demanded of a non-resident; or,
 - (2) Three vehicle collision, one resident and two non-residents: cost recovery fees shall be divided (as per this example) by three and one third shall be demanded of each of the two non-resident drivers.

Hazardous Materials Response

- If Fire and Emergency Services responds to an incident or emergency and a hazardous material response is provided, the Corporation shall charge the fee stipulated in the fee schedule to any one or more of the following: the property owner, the vehicle owner and the insurance company, in order to recover full payment of the stipulated fees.
- In the event an emergency involves hazardous materials and at the scene or property, damages or contaminations of equipment occurs, the expenses incurred by Fire and Emergency Services for cleaning and decontamination or replacement of equipment, as applicable, and shall be recovered as a fee as stipulated in this schedule.

- In the event an emergency involves hazardous materials and at the scene or property, the use of consumable materials, other than water and medical supplies, are used to suppress or extinguish a fire, preserve property, prevent a fire from spreading or otherwise control and eliminate an emergency, the expenses incurred by Fire and Emergency Services for using consumable materials shall be recovered as a fee as stipulated in this schedule.

False Alarms

- For the purpose of this Schedule, a False Alarm means the activation of a fire alarm or emergency system which occurs without just cause, including where there is no fire, carbon monoxide or other emergency situation.
- Fire and Emergency Services shall charge a property owner the False Alarm Fee stipulated in this Schedule if upon attending a property in response to the activation of a fire alarm or emergency system it is determined that it was a False Alarm.
- Where a False Alarm is triggered as a result of work being conducted on a fire alarm or emergency system and Fire and Emergency Services attend at the property in response to the False Alarm, the property owner shall be charged the False Alarm Fee stipulated in this Schedule, unless the property owner notified the Joint Fire Communication Centre in advance that the work was being conducted.
- The False Alarm Fee will not be charged for the first occurrence of a False Alarm at a property, but will be charged for each subsequent False Alarm occurrence within the same calendar year.

Natural Gas Incident Response

- If Fire and Emergency Services attends at a property in response to a natural gas leak and upon conducting an investigation, fire personnel determine that the due diligence was not exercised (example: locates of utility lines not completed before digging commenced), the property owner shall be charged the fee as stipulated within this Schedule.

Non-Emergency Elevator Incident Response

- If Fire and Emergency Services attends to a property in response to a stalled elevator and determines that the confined individual(s) do not have urgent medical needs and is not in immediate danger as a result of the elevator being inoperative, the property owner shall be charged the fee stipulated with this Schedule.

Reports and Searches

- For all fire related file searches and fire report requests, the requester shall be charged the fee as stipulated in this schedule.

Permits, Applications and Reviews

- For all fire related permit requests, designated fire route applications and Propane Facility License application and reviews, the requestor shall be charged the fee as stipulated in this schedule.
- Firework permit requirements are identified within Fireworks By-law 163-2016

Fireworks Retailer Course

- Is a course provided by Fire and Emergency Services, which provides guidance regarding safe practices for fireworks retailers. The Fireworks Retailer Course is current to the year of issue.
- Contact Fire Prevention for course schedule and availability.

Fire Inspections

- For the provision of requested fire related inspection services, the requester shall be charged the fee as stipulated in this schedule.
- Fees such as "Per Occupant", "Per Tenant", "Per Additional Floor" and "Over 10,000 square feet" are billed in addition to the identified base inspection fee, where applicable.
- Re-inspection fees will be charged on Fire Safety Inspection Orders where a subsequent re-inspection is required as a result of the owner not suitably addressing all fire safety hazards identified in the Fire Safety Inspection Order.

Rentals

- For the provision of requested rentals of the specified fire equipment or facilities, the requester shall be charged the fee as stipulated in this schedule.

SCHEDULE C - FIRE AND EMERGENCY SERVICES FEES

- All rentals are subject to availability as well as pre-approval by Fire and Emergency Services. Usage restrictions and limitations apply. Liability waivers are required.
- For the rental of fire trucks: (1) One hour shall be added to all vehicle rentals, in addition to the duration requested, to allow for set-up and travel. All vehicle rentals require a minimum three hour rental.
- Burn Building (Live Fire) Rental: A mandatory requirement for the rental of this facility is to have a qualified NFPA 1403 instructor present for the full duration of the rental. One may be provided by the renter, subject to approval by Brampton Fire and Emergency Services.

Fire Apparatus Standby

- For the provision of a standby crew and fire apparatus, other than an emergency response, for a private company, community group, developer, industry or provincial government. Standby location must be within Brampton's jurisdiction.
- All fire apparatus standby requests are subject to availability as well as pre-approval by Fire and Emergency Services.
- (1) One hour shall be added to all standby requests, in addition to the duration requested, to allow for set-up and travel. All standbys require a minimum three hour charge.

Miscellaneous

- For the provision of other general services and products such as key boxes, smoke alarms, carbon monoxide detectors, printed copies of safety plans and/or other general items listed within this section, the requester shall be charged the fee as stipulated in this schedule.
- If Fire and Emergency Services responds to a fire or other emergency at a property and determines that it is necessary to rent special equipment or use consumable materials to board-up and barricade a property, the expenses incurred by Fire and Emergency Services shall be recovered as a fee under this By-law.

Addition to Tax Roll

- If a property owner who is charged a fee under this by-law fails to pay the fee within ninety (90) days of the invoice date, the Corporation may add the fee, including interest and administration fees to the tax roll for any real property in the City of Brampton, registered in the name of the owner and collect the fee, including interest, in like manner as municipal taxes.
