ALEX,

Thanks for sharing the information on the proposed commercial plaza at the Mayfield Goreway intersection. I have been looking for such commercial developments as I have a small business that I run out of my basement and it has grown significantly. I haven't been able to find a commercial unit to move my business to. The development of such a plaza may give myself and my friends who are young entrepreneurs an opportunity to expand our business and give us broader exposure. I hope the staff in the planning department and city officials are listening to us young entrepreneurs and support such a development.

We support the proposed development at the Mayfield / Goreway intersection.
Augustine Maddela and young entrepreneurs of Brampton.
