Subject: [EXTERNAL]Objection to Zoning By-Law Amendment

Dear Madam,

As a resident of downtown Brampton I would like to register my objection to the Zoning By-Law Amendment to allow two towers at the corner of Elizabeth St. and Nelson St.

Some of the reasons for my objection are as follows:

- the unwanted intensification of the downtown similar to the area around Square One in Mississauga
- the diminishment of Haggertlea, the heritage building that will be lost amongst high rises
- there are already two towers of rental units being built at the corner of Railroad St. and Mill St.
- infrastructure shortcomings such as narrow streets, lack of parks, recreation centres, schools, etc.

Sincerely,

W. Hoyano
