Subject: [EXTERNAL]Correspondence for deferred motion re: FCM Board Election

Dear Clerk Fay,

I wanted to provide some input in support of my colleague Rowena Santos, with whom I have been serving on the FCM Board of Directors for two years.

I have enjoyed working with Rowena on issues of mutual interest such as Islamophobia, diversity and inclusion issues, and overall governance of FCM.

Rowena is an important part of the national board, representing a large municipality in the GTA. The 905 merits more voices on FCM and Rowena has brought an important and different representation for residents. You may be aware that there will be an election to decide if nominees are elected to the board. Rowena has proven herself on the board and I suspect would be readily re-elected based on her performance. I would like to continue to serve on the board with Rowena and to have more GTA voices such as hers. I wish my friends and colleagues on Brampton City Council all the best with their deliberations.

Cheers,

Rory
