Brampton as a competitive advantage for domestic and international growth

Canada's fastest aging major city

Strategic focus on aging-in-place

Highly diverse and relevant workforce

Support for under-represented founders

- ✓ Helped finalize investor pitch-decks and financial models
- ✓ Connected with potential investors
- ✓ Provided high-value market and competitive research
- ✓ Provided sales and business development leads
- ✓ Provided personalized mentoring on strategy, sales, PR and security

We are mission driven, seasoned and hands-on founders with a majority female and visible-minority team

THANK YOU
