To: Honorable Mayor Patrick Brown
City of Brampton

Re: 9445 Clarkway Blvd, (OZS-2022-0019) Public Meeting Submission - Petition in support of New BARIC Centre Project at 9945 Clarkway Blvd

Respected Mayor,

Brampton and Region Islamic Centre (BARIC) has had a very humble and modest start in the City of Brampton when in 2012, 20 brothers initiated Taraweeh prayers during Ramadan, in the living room of one of its member's house.

Today, BARIC as a non-profit and charitable organization has grown tremendously and provides religious and community services for the entire Muslim population in the large area of East Brampton (Ward 7,8,9 and 10) and surrounding areas including Woodbridge, Malton, Etobicoke, Caledon, Bolton, Nashville and Kleinberg. BARIC plays an important role by providing humanitarian aids and other charitable functions for the people in need irrespective of their religion, race and colour. It makes regular contributions through donations to various national and international Charitable and Relief Organizations, Hospitals, Foundations and many other organizations. This year, it has participated in financial contributions for the Hurricane Fiona affected people in Canada and flood victims in Pakistan. BARIC also actively participates in environmental and other community activities in Brampton.

BARIC was incorporated on August 29, 2012 under the Ontario Corporations Act as a not-for-profit charitable organization and has grown its community to over 1,000 families and operates from 3 units at 4525 Ebenezer Road.

With many successful programs and services, the regular presence of families in BARIC increased rapidly when it became necessary to get a larger place to serve all families. In this pursuit, BARIC purchased a 2.7 acres land at 9445 Clarkway Drive, located on west of Hwy 50 & south of Bellchase Dr., Brampton in November 2014 with an intention to build a complete Islamic Centre on this land. Since 2014, our community has been trying to secure permission to build our own Place of Worship to fulfil the needs of our community.

BARIC has a vision to build and establish BARIC as an ideal Islamic Centre on its purchased land by providing religious and community services with specific focus on adolescent and youth for the entire Muslim population in the East Brampton and surrounding areas. The proposed BARIC Centre will have a Prayer Hall, a Gymnasium, an evening/weekend Madrasa, a Library, and a separate Place for Elderly services. In addition to the current programs and services, the Centre will also provide other services including counseling, marriage and support for new comers based on the community needs. The Centre will play a key role to bring peace and harmony in the region and will contribute to provide a safer community.

BARIC has a mission to serve the spiritual, developmental and community needs of Muslim population in the region by means of preaching Islamic principles, faith and culture through worship, education, charity and civic engagement, as well as providing humanitarian aids to needy people globally.

BARIC maintains its core values through Action (in accordance with Al-Quran & Hadith), Transparency, Trust and Teamwork. It offers evening and weekend Madrasa for boys & girls, Hifz class, sister's class, summer programs and charities. Some of the programs offered are daily and Jumua'h prayers, Family & Sister Halaqa, Ramadan & Eid related programs and community activities.

BARIC has submitted development applications for the construction of an Islamic Centre at 9445 Clarkway Drive. The purchase of its land has been made possible through donation made by its hard-working members and the Muslim community. Pre-applications discussions with the City of Brampton have been going on for a number of years over environmental prior to the actual applications for an Official Plan & Zoning Bylaw Amendments were submitted.

We are glad that the City of Brampton is working with our Board, Sub-Committee and Community Leaders to ensure that this Community is successful in its endeavour to build its own Centre.

For the Public Meeting related to application OZS-2022-0019, 9445 Clarkway Drive, we the following signatories to this petition wish to inform the Council, staff and the public of our full support for the project to build a BARIC Centre including place of worship on this land. We also applaud the City of Brampton, through our respected Mayor and Council members, of working diligently with our community to facilitate the approval to the project.

Signed here on this date Tuesday, 6th of December 2022 in solidarity with our community and in full support of the Brampton And Regional Islamic Centre (BARIC). These signatures are continuation from previous petition signed on November 22, 2022 by 780 people.
