To Whom It May Concern:

My name is Eshu Paul and I am a resident of Bellchase Trail. Brampton ON. L6P3K3. I have heard that the address of 9445 Clarkway Dr. in Brampton ON. may be developed into an Islamic Centre.

I, along with all the members of my household would like to voice our concern and therefore our OPPOSITION to the developing of this piece of land since it is immediately across from our home. We believe that the development of this piece of land will cause us much trouble. We have been residents in this Neighbourhood of Brampton East, and we are extremely concerned for the development of this piece of land that falls right across from our house especially considering that this is a residential neighbourhood and a place of worship that it immediately across from it will cause turn out peaceful neighbourhood into a crowded one that will give us trouble in the future.

Therefore I urge you to reconsider placing this place of worship in this area, but rather turn build much needed housing for the residents of our city.

Thank You

Eshu
