**Subject:** [EXTERNAL]Fwd: Requesting speed bumps

Happy New Years Patrick Brown and family

Please see the email sent to [roads@brampton.ca](mailto:roads@brampton.ca)  
Our neighbourhood has become out of control with speeding vehicles and the community has hopes that city of Brampton can help.

Thank you,

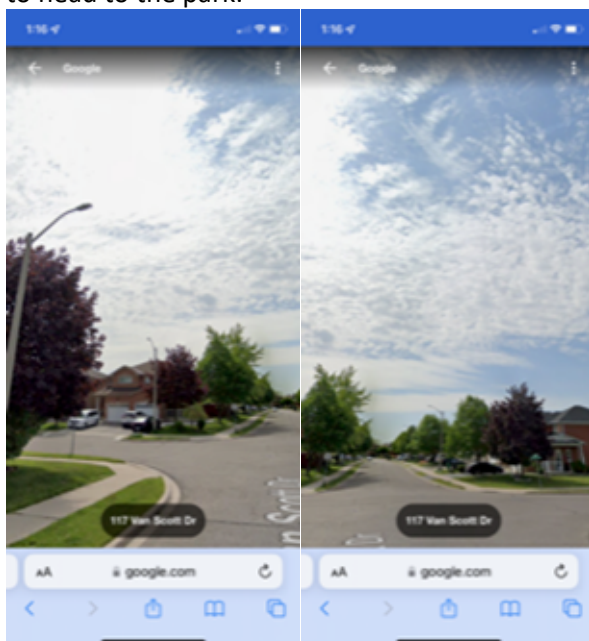

Ashley Medeiros

**Subject:** Requesting speed bumps

Hi there, I live at 5 twin pines cres in Brampton. I live one block over from a 4 way stop sign at van Kirk drive and van Scott drive / potters wheel gate. Other than these stop signs there are no other stop signs going up van Scott headed towards twin pines cres. People use this stretch as a racing track. There is a park at van Scott drive near tin smith street ( van Scott parkette) there are no stop signs to cross from tin smith to van Scott to access the park ( please see pictures I have attached) and the number of times my children ( ages 1,2 and 7) have almost been hit by the speeding cars on van Scott drive while trying to head to the park.

Also just to add- our neighbours at 103 van Scott drive have had numerous cars on their front lawn from people running stop signs. I personally see cars running the 4 way stop signs at van Scott/ potters wheel gate and van Kirk daily. In fact if I come to a complete stop here I usually get aggressively honked at. Stop signs and speed bumps are much needed in our area. My family has even been considering moving and I know our neighbours at 103 van Scott are also looking into moving as well. Our neighbourhood has changed and I know our area is in desperate need of help for people to slow down before someone is killed.

There are school buses that stop along van Scott drive at twin pines cres and vehicles just pass the bus. There are no rules here. I noticed some of Brampton areas now have speed cameras and speed bumps and I'm asking for this area to please be considered for the same.

Thank you,

Ashley Medeiros at 5 twin pines cres Brampton L7A 1M5
