**Dealt with under Consent Resolution C003-2023**

15.2 Notice of Motion – Advance Brampton Fund Program

In response to questions from Council, staff provided information on the Advance Brampton Fund, which included details about the budget, increase in the number of applications submitted over the years, and granting programs in other municipalities.

Staff confirmed that all applications submitted for funding in 2023 met the threshold for approval, however, given the limited budget, not all applications could be approved for funding, and highlighted the need for timely communication to successful applicants.

Council consideration included the need for review of the budgeted amount for this program, acknowledgement that all 2023 applicants met the funding threshold, and the economic and community value resulting from these community programs and events.

An amendment was proposed by Regional Councillor Santos to provide for funding for the 2023 applicants that met the threshold, but could not be funded due to the limited budget.

With the assistance of staff, an additional clause to the Notice of Motion was prepared and displayed, as follows:

That the unfunded application shortfall amount of \$461,858 in 2023 be allocated from the General Rate Stabilization Fund, or other sources deemed appropriate by the Treasurer, to provide for the 2023 applications.

The motion, as amended, was considered as follows.

**C010-2023**

Moved by Regional Councillor Santos

Seconded by Mayor Patrick Brown

Whereas the City's Advance Brampton Fund Program is a community granting program that supports non-profit sector development and provides municipal funding to eligible Brampton-based non-profit or charitable organizations for strong project proposals that align within City-defined priority areas; and

Whereas the 2023 Advance Brampton Fund list of approved applicants will soon be released.

Whereas the Program delivery continues to be overwhelmingly successful with the number and type of quality applications far exceeding available funding assistance to charitable and non-profit sector partners to deliver important and valuable programs and services to Brampton residents;

Therefore Be It Resolved That Council discuss possible options to enable the Advance Brampton Fund Program to continue to meet growing community needs, including additional funding opportunities, if available; and

That the unfunded application shortfall amount of \$461,858 in 2023 be allocated from the General Rate Stabilization Fund, or other sources deemed appropriate by the Treasurer, to provide for the 2023 applications.
