Goodday.

I am a resident in Ward 4 and I am providing feedback for files OZS-2020-0036 and OZS-2021-0018 for the upcoming February 13th, 2023 Planning and Development Meeting, City of Brampton.

My family and our neighborhood communities are opposed to high level developments along the Queen West corridor as stated before. I am not understanding why we are still repeating our concerns to the City Council. Specially,

1. re: Application to Amend the Official Plan, Zoning By-law and for a Draft Plan of Subdivision, Korsiak Urban Planning – 1879 Queen Street West, Ward 4, File: OZS-2020-0036 (See Items 7.3 and 11.2),

- townhouses, a condo townhouse, and an apartment block do not fit in with the existing surrounding executive detached home communities. Therefore, I object.

2. re: Application to Amend the Official Plan and Zoning By-law, Gagnon Walker Domes Ltd. – Rotary Club of Brampton Community Centre, 1857 Queen Street West, Ward 4, File: OZS-2021-0018 (See Items 7.5 and 11.3),

- two multi-storey residential apartments do not fit in with the existing surrounding executive detached home communities. Therefore, I object.

Please include my correspondence to the February 13th Planning & Committee Agenda.
