Re: 81 Delta Park Blvd., Brampton, Ontario-

A-2023-0001

To the Members of the Committee of Adjustments:

I was informed by Zoning to address this request to the Members of the Committee. Due to an error in the initial Building Zoning Review for the original Committee of Adjustment Application Meeting dated July 21, 2022 number A-2022-0180.

In their review they did not include the Parking deficiency Minor Variance which is the Reason, I need to reapply for this variance Today.

I would like if you can kindly consider my request to refund the cost of the Committee of Adjustment Application Fee.

Kindly Submitted
