ARCTIC VINYL WINDOWS & DOORS. TERMS AND CONDITIONS OF CONTRACT

1. ARCTIC VINYL WINDOWS & DOORS. Is referred to in this contract as "the Company".
2. BUYERS RIGHT TO CANCEL: This contract may not be cancelled by the buyer for any reason except pursuant to the Buyers right as set forth in Section 23.3 of the Consumer Protection Act of Ontario (the "Act") to cancel the contract in accordance with Section 23.4 of the Act.
3. Subject only to the provisions of paragraph 2, the buyer covenants and agrees that he/she be liable for the greater of seventy-five percent (75%) of the contract price as liquidated damages and not as a penalty, without proof of loss or damages, by the Company if the buyer fails or refuses, for any reason, to accept delivery of all products ordered pursuant to this contract. This remedy may be waived by the Company without prejudice to any other rights which it may have.
4. All verbal or written agreements not mentioned on the face of this contract are void, and no salesman or tradesman has any authority to change, alter or add to this contract in any particular. This document constitutes the entire contract between the parties.
5. This contract contains all of the terms and conditions of the agreement between the Company and the Buyer with respect to matters which are the subject of the contract and any terms and/or conditions not referred to herein shall not be considered binding upon either party unless in writing and signed by the company and the Buyer.
6. The Buyer(s) hereby authorizes the Company to remove from the Buyer(s) premises and the job site any windows, doors and/or materials which have been removed and/or replaced pursuant to this contract and to dispose of same unless the Company receives prior written notice from the Buyer(s) indicating otherwise.
7. All products installed and/or supplied by the Company are warranted by the manufacturer subject to conditions contained in the Warranty. Warranties do not apply to sealants, caulking, nor to damage or alleged defects that are the results of accidents, acts of God such as floods, fires, lightning, falling trees, hailstones, and excessive ice build up. Also, warranties do not apply to normal wear and tear, contact with corrosive materials, abuse, neglect, misuse, failure to maintain property, any damage caused by movement or settlement of building.
8. It is understood and agreed that the Company shall not be liable to the Buyer(s) for any delay or failure by the Company to complete this contract if the Company's delay or failure is the result of any strikes, government regulations, acts of God, inability by the Company to obtain materials or any other similar causes that may be beyond its control. The Company shall be given an extension of the completion date equal to the amount of time lost as a result of such cause.
9. The Buyer(s) do not have the right to delay delivery of products and/or services included in this contract. Unless a delivery date is specified on the face of this contract, the Buyer(s) agrees to take delivery within (7) days (excluding Sundays) of the date contracted by the company to schedule delivery. Failure to do so will result in the full balance of the contract being due and payable to the Company immediately without invoice or notice being sent subject to the late payment interest penalty described above.
10. Exterior site will be left reasonably clean and free of debris, and will be made reasonably level. However, no further landscaping, topsoil, sod, seed planting or repair of existing landscaping due to construction damage is included in this contract unless specified in writing in the contract. Any damage caused to the existing building during the removal and/or installation of products will be patch repaired only. The Company shall not be held liable for any damages occurring to the existing building which are not directly related to the removal and/or installation of products but may be the result of deficiencies in the construction or design of the building. Any damage to existing driveways regardless of the cause, will be patch repaired only. Complete resurfacing of driveways is not included unless specified in writing on the face of the contract. Painting and finishing are not included.
11. The Buyer(s) acknowledge having received a true and completely filled in duplicate original of the contract at the time of signing. Please note that no condition specified on this duplicate copy is valid unless it appears on the original copy.
12. The Buyer(s) covenants and agrees that he/she shall not be entitled to rely upon any representation warranty, or any nature whatsoever, regardless of whether included in this contract or imported by statute on any products or labour required to be supplied pursuant to this contract until all monies owed by the Buyer, including interest if any, are paid in full to the Company.
13. Unless specified on the face of this contract, the Buyer shall be solely responsible for obtaining any and all building permits and the cost of complying with any and all Municipal Building bylaws or the Building code of Ontario. During the completion of this contract should any additional work which is not part of this contract, be required to conform with any of the aforementioned codes or bylaws, then this additional work will be completed by the Company and billed to the Buyer on a cost-plus basis. The Company reserves the right, at its discretion, to substitute products or materials of equal or greater value in order to complete the installation in a satisfactory and timely manner.
14. If as specified on the face of this contract, the Company is to obtain plans and permits and it becomes necessary to appeal to the Committee of Adjustment for a variance, the Buyer(s) will be responsible for all costs directly related to the appeal process. The Buyer(s) agrees to advance to the Company the estimated costs which may be non-refundable in part or in total, should the Committee of adjustment refuse the variance.
15. The Buyer(s) agree to the standard payment terms: initial deposit of 35% of the contract total (including HST) at the time of contract signing; Remaining balance to be to be paid upon installation.
 - a. If the Buyer(s) chooses to postpone installation for more than 2 weeks payment 75% of the total balance is required.
16. The Buyer(s) agrees that the remaining balance of the contract price shall be due and payable upon the substantial completion of the delivery and installation of the products ordered under this contract, unless otherwise stated in writing. If further services are required, including rectification work, or further products to be delivered, the Buyer(s) agrees that he/she shall pay a minimum of ninety percent (90%) of such balance owing notwithstanding that there may remain further services to be performed or product to be delivered.
17. Overdue Balances: The balance of the contract price shall be due and payable as set forth above and overdue balance shall bear interest thereafter at the rate of 2% per month (24% per year) which shall be charged on a per diem from the date that they are due up to and including the date that all such amounts to the Company are paid. The Buyer(s) shall be liable for all costs of collection, and any other charges or expenses incurred by the Company, as a result of any default in payment under this contract.
18. The company hereby reserves the right to conduct any credit searches of the Buyer(s) that it deems necessary and the Buyer(s) hereby consents to the release of any and all information necessary for the Company to conduct such credit searches.
19. Title and ownership to all products to be provided to the Buyer(s) by the Company pursuant to this contract shall remain vested in the Company, the Buyer's risk, until all amounts owing to the Company pursuant to this contract are paid in full. In the event that the Buyer(s) fails to make the payments required by this contract, or deals with any of the said products in a timely manner inconsistent with the foregoing, defaults or violates any of the terms or becomes bankrupt or sells or disposes of said articles contrary to the provisions of this agreement, all amount to be paid under the contract shall immediately become due and payable and the Buyer(s) authorizes the Company and/or its appointed employee and agents to retake possession of the said products and any accessories thereto even if they have been incorporated into a structure, without legal process and/or proceedings and for such purposes may enter into the Buyer's property and/or premises with notice or further authority, the authority herein set out being sufficient and irrevocable, and the Company shall not be responsible for any damage thereby caused.
20. This contract becomes binding upon the execution. It is not subject to approval by any third party, including any financial institution, unless specified on its face. Regardless, the contract is conditional upon satisfying itself regarding the results of any credit searches of the Buyer(s). The contract is also conditional upon approval by the Company's authorized representative. The company has the right to cancel the contract in writing in the event that either or both of the aforesaid conditions are not satisfied. The Company further retains the right to cancel the contract or to cancel the remainder of the contract at any stage of completion of the work described, in the event of unforeseen difficulties. Once notified in writing by the Company of its election to cancel all or any part of this contract, then any monies due and payable for work done to the point of cancellation shall be due and payable immediately in full.
21. The Buyer(s) acknowledges and agrees that the Company shall not be responsible for ceramic tiles. Any window coverings, blinds, drapes, shutters, security bars, and alarm systems or other existing windows accessories will be the customers responsibility, in the event that they do not fit the new windows if the frames of the old windows are removed. Every precaution will be taken.
22. Product only purchases (i.e. retail cash 'n carry, trade supply only), including orders for shipment out of the county and for new construction, are subject to the deposit minimum but not limited to 50% of the contract total (HST included). The Buyer(s) agrees that the remaining balance of the contract price shall be due on pick-up, or for deliveries the balance is payable at least 7 days prior to specified shipping date, unless otherwise stated in writing.
