Subject: Public Input – Statutory Public Meeting
City-Initiated Official Plan Amendment
Major Transit Station Areas
Claireville Holdings Limited

Gagnon Walker Domes Ltd. (GWD) acts as Planning Consultant to Claireville Holdings Limited (Client); the Registered Owner of '0' Steeles Avenue East (located at the northeast corner of Steeles Avenue East and Goreway Drive) in the City of Brampton (hereinafter referred to as the "subject site"). We have been asked to review and provide the City of Brampton with our comments, observations and recommendations in connection with the Information Report and Statutory Public Meeting regarding City-Initiated Official Plan Amendment – Major Transit Station Areas (MTSA). The subject site is located in the Goreway Drive/407 'Planned' MTSA.

City-Initiated Official Plan Amendment - MTSA

According to the City of Brampton, the purpose of the City-Initiated Official Plan Amendment – Major Transit Station Areas is to propose the addition of interim Official Plan policies to better guide development and land use decisions in MTSA's, while the detailed planning and technical studies for Primary MTSA's are completed and until Brampton Plan (the 'New' Brampton Official Plan) is in effect. The OPA includes: a new schedule showing the boundaries of Primary MTSA's and the locations of Planned MTSA's; interim set of policies to support intensification and to guide development; and deletes the Mobility Hub policies, schedules and references.

The City of Brampton has scheduled the Statutory Public Meeting to receive public comments on the draft City-Initiated Interim MTSA Policies Official Plan Amendment on Monday, February 13, 2023.

On behalf of Claireville Holdings Limited, we have reviewed the City of Brampton Staff Report dated January 10, 2023, along with the accompanying Draft Official Plan Amendment, and offer the following comments, observations and recommendations.

1. **Section 3.1(6)** of the draft Official Plan Amendment, and more specifically, proposed Official Plan **Section 3.2.8**, is a policy section specifically related to Planned MTSA's, and speaks to the nature of these areas requiring further study to determine appropriate land use considerations before they are delineated. Proposed Official Plan **Sections 3.2.4 through 3.2.7** provide interim policies for MTSA locations, that appear to refer to the Primary or Secondary MTSA's; those that are delineated; however, those policies are not under a specific section heading that identifies those policies as being specific to the delineated MTSA's. In addition, they include generic references to "development in a MTSA", which would include Planned MTSA's; this would appear to conflict with the Planned MTSA section (Section 3.2.8). We recommend that the previously noted proposed sections be placed under an appropriate heading to reflect the MTSA's that the policies apply to.
2. The draft Official Plan Amendment to introduce Interim MTSA Policies is premature, given that the MTSA study is ongoing, and a number of the Focus Group Sessions for the Primary MTSA's are either occurring after the Public Meeting (Mount Pleasant MTSA on February 16, 2023), or have yet to be scheduled (Bramalea GO, Brampton GO, Centre, Kennedy and Rutherford). These reflect a large number of Primary MTSA locations where the greatest heights and densities are expected to be accommodated. We recommend any decision on this draft City-Initiated OPA be deferred until after input is received from all of the Focus Group Meetings for all of the MTSA locations.
3. **Section 3.1(6)**, and the fourth introductory paragraph under proposed Official Plan **Section 3.2.4**, the last sentence appears to contradict the rest of the paragraph. In this regard, the paragraph notes that the transportation network for MTSA's will be designed to support and integrate active transportation, local transit services and inter-municipal/inter-regional higher order transit services. These transit services are motorized modes of transportation. The last sentence is contradictory as it notes that non-motorized travel will be the preferred option within MTSA's. We recommend that this sentence be re-worded to reflect the objective of walkable communities, that are transit-supportive.
4. **Section 3.1 (6)** of the draft Official Plan Amendment, and more specifically proposed Official Plan **Section 3.2.5.1**, it is not clear if the objectives of this policy are meant to be met across the whole of the MTSA, or within each development application within an identified MTSA. The introductory statement notes "All development within an MTSA..." Further, in regard to **Section 3.2.5.1 a) and c)**, the Planned MTSA's located within the 407 Transitway Corridor are employment

areas that consist of Employment Land Employment uses (logistics, warehousing, manufacturing, etc.) that are not conducive to active transportation.

5. General Comment – **Section 3.1(6)** of the draft Official Plan Amendment, and more specifically proposed Official Plan **Section 3.2.5.2** – is the study referenced here the current MTSA Study that is ongoing by the City of Brampton, or is this a separate development application-based study to be completed by development proponents when applications are submitted?
6. **Section 3.1(6)** of the draft Official Plan Amendment, and more specifically proposed Official Plan **Section 3.2.5.2 b)** speaks to building heights and FSI. The policy makes a reference to maximum heights if required. We recommend that the policy be amended to only reference the minimum heights. The subject site, along with other MTSA locations, are located in an area of the City that is subject to the recently adopted Council resolution on unlimited height and density.
7. General Comment – **Section 3.1(6)** of the draft Official Plan Amendment, and more specifically proposed Official Plan **Section 3.2.6** – is the MTSA Block Concept Plan referenced in this proposed policy the same as a Tertiary Plan?
8. **Section 3.1(6)** of the draft Official Plan Amendment, and more specifically, proposed Official Plan **Section 3.2.7.1**, speaks to the preparation of a Growth Management Strategy. It would appear, but is not clear in the policy, that this is similar to the Growth Management Staging and Sequencing Reports prepared in the Block Plan process. Confirmation and clarification is required, and should be worked into the proposed policy. It is not clear in the proposed policy who prepares this report (the first application in the MTSA, each application (i.e. updating the original report)), or the mechanism to ensure coordination where applicants may not be aware that others are planning/proceeding to file site-specific applications.

Closing Remarks

Thank you for the opportunity to provide comments on the Draft City-Initiated Official Plan Amendment – Major Transit Station Areas. Our Client reserves the right to provide further comments as necessary prior to Council approval of the Official Plan Amendment.

Kindly accept this letter as our formal request to be notified of all future Open Houses, Public Meetings, Planning Committee and Council meetings to be held in connection with the City-Initiated Official Plan Amendment – Major Transit Station Areas. Lastly, we request notification of the passage of any and all By-laws and/or Notices on this matter.

Should you have any questions, please contact the undersigned.

Yours truly,

Andrew Walker, B.E.S., M.C.I.P., R.P.P.
Partner and Principal Planner
