Re: Withdrawing the application

Hello Jeanie

I am writing to formally withdraw my application for File A-2023-0017 (16 Stonemount Trail) that I submitted to the City of Brampton - Planning Department on January 23, 2023. After careful consideration, I have decided that I no longer wish to proceed with my application.

Please let me know if there are any further steps that I need to take in order to officially withdraw my application.

Thank you for your assistance and understanding.

Sincerely,

*Manjit Brar*
