Dear Mayor Brown

First of all, Nepalese Community in Brampton would like to thank you for your kind support, consideration and initiative towards naming the park that reflects identity of the community. As per our last meeting on December 20, 2022, Nepalese Community Network of Canada (NCNC) has been in consultation with various other Nepalese community organizations, individuals and stakeholders to select the name of the park that closely resembles the identity of Canadian Nepalese Diaspora. NCNC called for Public Town Hall Meeting on Jan 22, 2023 at the premises of "Pashupatinath Mandir" in Brampton. Community leaders from various organizations were present in the meeting. We are honoured to notify you that the name "SAGARMATHA PARK" has been approved from the community out of many other suggestions. We have also attached the names of the attendees who attended the meeting for your reference in **Appendix A**.

All the directors of NCNC are very happy to work together with Mayor Brown, Council Members and City of Brampton. We are very hopeful that the proposed name will be passed from the upcoming City Council Meeting.

We are looking forward to working together and hoping for your kind consideration in this matter.

Best Regards,
Pashupati Pokhrel
