Subject: [EXTERNAL]Commercial Plaza

Hi Alex,

I am a resident of Brampton for last 20 years and drive through Mayfield Road frequently. Whenever, I stopped at the Goreway/Mayfield intersection the conversation with my colleagues would be why has no one proposed a commercial plaza at the SE corner. The other 3 corners are already commercial. Finally, my recent stop at the busy intersection of Goreway and Mayfield, I see a Notice for what I have been envisioning for quite some time. With the Mayfield and Goreway road expansion plan, a residence at the intersection is not practical. While on the other hand a commercial plaza would suit the location perfectly.

We as a city should encourage and support such proposals that creates jobs, boosts the economy and utilize the busy intersections practically. The proposed plaza would be a nice buffer to the traffic with future expansion of both the roads. I hope the city would take into account my feedback and support the proposal of the commercial plaza at SE corner of Mayfield.
