Hello,

HOW MANY TIMES DO WE NEED TO BE SENDING EMAILS of this sort to city hall to proclaim our disappointment with projects in the “HAMLET OF SPRINGBROOK” ?

There are countless numbers of residents in this area who have attended city meetings and spoken up about this problem, followed by petitions and in person meetings with City Councillors, etc.

It is now March Break and a lot of people are absent but those of us still in town will attend the City Council mtg of March 20th to oppose this ONCE AGAIN.

The builder must know that we aren't opposed to building but we are opposed to high density! This builder must be asked to cut GREEDY AMBITIONS and build fewer homes than his suggested 60 dwellings.

Try 30! Much less indeed, and allow for some needed green space for seniors and children.

I am a resident in Ward 4, (Champion Crt), and I strongly object to the application that will be presented at Planning and Development Meeting on March 20th, 2023 related to the file below :-

OZS - 2022 -0014

Agenda item 7.1

The reason of opposing this application is because of many issues, which would be presented by the delegates of the Credit Valley Residents Association in the meeting.

I hereby grant authorization to post this correspondence to the agenda for the above file once all my personal information such as email address, home address & phone number has been redacted.

Thank you
