From Ken Giles  
To Dean McLeod & Glenn McClelland  
Co-Chairs Brampton Sports Hall of Fame

After serving on the Selection Committee of Brampton's Sports Hall of Fame for the past 43 years, I have not sought a new four-year appointment to its Selection Committee.

I was named Chairman of its Founding Board of Governors in 1979 - 1980.

I was honored to be named to the Builder's Division of the Sports Hall of Fame in 1986.

As sports editor of Brampton newspapers that spanned five decades, I have written or edited stories about 70 percent of the Sports Hall of Fame's current membership.

I have enjoyed my 43-year association with the Sports Hall of Fame, however, it's now time to officially retire.

Best wishes for the continued expansion of the Sports Hall of Fame.

Sincerely,

Ken "Scoop" Giles
