Dear Madam,

As a valued member of Shree Jagannath Canada, I am drawing your kind attention to the followings.

That the dispute of ownership of land of Shree Jagannath Temple Canada is ongoing in the Superior Court of Justice. The Discretion of the temple lands that will occur if Mr. Mishra's application is allowed and Mr. Mishra's request seems to be totally unreasonable based on the existing size, use and location of the land. I am strongly opposing this application.

Hope, at this moment nothing should be decided until the Superior Court of Justice verdict is declared.

Thank you for your understanding.

Sincerely yours,

Sabita Dash
