Hi Jeanie

My name is Amrinder pandher , my husband Dr Rashpinder Pandher and I reside at 19 New Forest Terrace, Brampton, ON.

As residents of new forest terrace, We share the same concerns about this application and road entrance at the North side of this court.

Our concerns for this application are as follows:

1. Safety reasons is foremost this will be used as a U-turn lane for anyone on Goreway.
2. Currently we don't feel safe as so many cars come in and out of this court that don't reside here.
3. Currently there is already an increased rate of crime and break in attempts on our street.
4. We all bought in this street as we were led to believe it was a private enclave of 10 homes, now there are 5 more houses coming to the S side of our street and now 1 or maybe even 2 to the N.
5. We were promised reassured a fence was coming to close off this cul-de-sac for the past 2 years what was that all about?
6. At night we are already dealing with noise pollution due to the drag racing on Goreway and this will just give another route for this activity at night.

We would like this application thrown out.
