I am opposing to the application # A-2022-0373 for 9398 Torbram Road, Brampton .

1. The ownership dispute of the land which is ongoing in the superior court of justice
2. The desecration of the Temple lands that will occur if Mr. Mishra's application is allowed
3. Mr. Mishra's request is unreasonable based on the existing size, use, and location of the land .

Therefore, I like to oppose this application .
