

Signature Petition to oppose commercial building on 8383 Mississauga Road

Subject : File #: OZS-2023-0007

Re: Patel Land and Development Limited

Date Sign Erected: May 1, 2023

We are writing in response to the proposal made to the City of Brampton for the permit development of a 6-Storey commercial building that consists of 934m<sup>2</sup> of ground floor retail space and 7,737m<sup>2</sup> of office space, and includes 218 vehicular parking spaces and 70 bicycle parking spaces.

There are many concerns regarding this notice for the application to amend the zoning By-law.

- The primary issue is that amendment will create a safety risk for children causing stress to parents and adults.
- The increase in traffic and vehicles will limit children from outside engagement, making it more difficult for them to play outside freely. The increase in traffic will also generate noise pollution, restricting the neighborhood's right to quiet enjoyment.
- Furthermore, the amendment will result in the neighborhood being overcrowded due to the ongoing traffic and limit the parking space for residential individuals. Therefore, the neighborhood and I argue that access/ entrance of a commercial building should not be allowed on residential premises. We all disapprove of the proposal.

We would appreciate it if MacNaughton Hermsen Britton Clarkson Planning Limited (MHBC) and Patel Land and Developments Limited declined the amendment because it is incompetent to build a commercial building on residential premises.

We, the undersigned, are residents who will be directly affected requested herein and indicate our disagreement. We look forward to hearing back from you soon. Please find below signed petition to oppose the above said construction to take immediate action.
