Hey! Councilor Rowen

Thanks for taking the time to work with us on developing this motion for the presentation to council.

It is now complete as per the discussions addressed through our email correspondences.

Thank you Mayor Brown & Councilor Santos & Staff for assisting to get this motion to it current atse.

I am in full support of this motion and request that the Clerk file my response now as correspondence instead of a delegation.

I hope that the rest of council will support this motion on Wednesday.

We are making progress in development of cricket facilities and associated amenities to meet the demands of the sport and I hope that council will continue to do so as we continue to work together for the future of the game in Brampton.

Appreciation to everyone involved.

Cheers

Praim Persaud
President
