Good afternoon Jeanie

I am sending this Email in follow up to the telephone message I left on June 13 2023.
I reside at 8 Brookdale Crescent Bramalea Ontario, now Known as Brampton and have made this single family residence my home for over 25 years.

We moved to this wonderful Area Known as the "B" section do to its construction of well built Single family Bungalows and beautiful well kept residences with a strong community presence.

As I have recently retired giving more time to be at Home, We are concerned about the variances applied for the dwelling at 6 Brookdale Crescent both in height and lot coverage which will cause shadow impacts and reduce the overall enjoyment of privacy for our families. As well as upsetting the uniformity of the neighborhood.

We have seen how these have divided communities .
For these reasons .

WE DO NOT want any relief from By-law 270-2004 regarding this application #A-2023-148 Ward # 7

Thank you for your attention to this matter.
yours truly
Long time Bamalea Resident
and voting citizen
