Could I receive a virtual link? I will be trying to tune in.

The donations from Baljeet Grewal were two separate \$1,200 donations from two separate members in the same household with joint accounts (husband and wife). The other donor should be listed Avtar Grewal.

The same goes for Vinod Kasal. The other donor should be listed as Kailash Kasal.

The remaining over contributions, of 1,236.15 from multiple individuals, was because of a NationBuilder website prompt asking donors if they would like to cover any associated fees, which our campaign never collected, which they clicked pushing their \$1,200.00 donations to 1,236.15.

Warm Regards,
