Subject: Request to Begin Procurement - Supply and Installation of Impact Attenuating Surfaces at Various Locations, and Miscellaneous Parks Construction at Various Locations for all of the Parks Enhancement and Community Living Projects

Secondary Title: Request to Begin Procurement – Parks Enhancement and Community Living Projects

Contact: Angelo Vidiri, Manager, Parks Projects & Special initiatives
(416) 716-3967

Report Number: Community Services-2023-591

Recommendations:

1. That the report **Request to Begin Procurement - Supply and Installation of Impact Attenuating Surfaces at Various Locations, and Miscellaneous Parks Construction at Various Locations for all of the Parks Enhancement and Community Living Projects**, dated June 22, 2023, to the Committee of Council Meeting of June 28, 2023 be received;
2. That the Purchasing Agent be authorized to commence the procurement for supply and installation of impact attenuating surfaces at various locations; and
3. That the Purchasing Agent be authorized to commence the procurement for miscellaneous parks construction at various locations.

Overview:

- **The purpose of this report is to obtain Council authorization to commence the following procurements for the Parks Enhancement and Community Living Projects:**

- **Supply and Installation of Impact Attenuating Surfaces at various Locations; and**
- **Miscellaneous Parks Construction at Various Locations.**
- **Funding is available in the existing Community Services approved capital budgets.**

Background:

The 2023 Community Services Budget includes sufficient funding to support the contracts for the supply and installation of impact attenuating surfaces at various locations, including miscellaneous parks construction required for each of these projects as well as all of the 2023 Parks Enhancement and Community Living Projects at various locations within the City of Brampton.

Current Situation:

The Community Services Department is ready to begin the procurement process for the supply and installation of impact attenuating surfaces at various locations including miscellaneous parks construction requirements for each of these projects as well as all of the 2023 Parks Enhancement and Community Living Projects at various locations within the City of Brampton.

Scope of the Project:

The scope of work includes impact-attenuating surfaces at various locations. In addition, these projects require site preparation, which is included in the contract for Miscellaneous Construction at various locations.

Also included in this project are all of the remaining miscellaneous park construction projects throughout the City of Brampton for the Parks Enhancement and Community Living Projects.

Corporate Implications:

Financial Implications:

Sufficient funding is available from the following capital projects to carry out these initiatives:

- 204955-001 – Park Enhancements
- 21/236501-001 - Community Living - Ward 01
- 21/236502-001 - Community Living - Ward 02
- 21/236503-001 - Community Living - Ward 03

21/236504-001 - Community Living - Ward 04
21/236505-001 - Community Living - Ward 05
21/236506-001 - Community Living - Ward 06
21/236507-001 - Community Living - Ward 07
21/236508-001 - Community Living - Ward 08
21/236509-001 - Community Living - Ward 09
21/236510-001 - Community Living - Ward 10

Departmental staff will ensure that sufficient funds are requested through the subsequent budget submissions, as required, for these initiatives.

Purchasing Implications:

Attenuating Surfaces

A public Procurement Process will be conducted and the Bid submissions shall be evaluated in accordance with the published evaluation process within the bid document. Purchase approval shall be obtained in accordance with the Purchasing By-law.

Miscellaneous Parks Construction

A public Procurement Process will be conducted and the lowest compliant Bid will be eligible for contract award. Purchase approval shall be obtained in accordance with the Purchasing By-law.

All communication with Bidders involved in the procurements must occur formally, through the contact person identified in the Bid Document.

Term of Council Priorities:

This report supports the Term of Council Priority “Brampton is a Healthy and Safe City” by focusing on community safety, encouraging active and healthy lifestyles, and enhancing facilities to increase access for residents.

Conclusion:

To ensure delivery of the project in a timely manner, it is recommended that Council authorize the Purchasing Agent to commence procurements, as described in this report.
