We will be opposition to Application # **A-2023-0118** WARD # 7 EBRAHIM INVESTMENTS INC.

Reason: It is really a small crescent it will be very difficult to back in and out the 53' Trailers in this crescent. Also, the Crescent will be very busy to allow 67 truck trailers, and it will affect our business due to high volume of Traffic. also, near future there will be new Victoria Areana will be built in this crescent there will very high traffic on our Crescent. This crescent is already extremely busy with the 53' Trailer trucks.

Thank you.
