Sub: Opposition to Deferred Application For Minor Variance

Ref: Application # **A-2023-0118** Ward#7

Attn: Jeanie Myres, Secretary-Treasurer

Dear Myres,

Mega Group Construction Ltd. is having our corporate office at 15 Victoria Cres, Brampton ON L6T 1E2. The Crescent is already busy area with movement of lots of cars, SUV & small pickup trucks. Permitting 67 no. large 53ft trailers on this small cres will create high-volume traffic, congestion, bottlenecks and pose significant accident hazard to existing users including Mega Group employees. We strongly oppose such storage & commercial usage of marked open space.
