Davis**, be received.

- **This report details an apparent over-contribution by a contributor to a candidate for Council.**
- **This report achieves the Council Term priority of a Well-Run City by ensuring compliance with provincial legislation relating to the municipal election.**

Background:

As legislated by the *Municipal Elections Act, 1996* (MEA), the 2022 Municipal and School Board Election was held on Monday, October 24, 2022.

During the nomination period, 75 candidates filed their papers to run for office on Council. Four (4) Council candidates withdrew their nomination before the legislated deadline.

During the campaign period, candidates could receive contributions from individuals who are residents of Ontario.

Section 88.9 of the MEA established the following contribution limits for the 2022 Municipal and School Board Election:

- \$1,200 contribution limit to one candidate
- \$5,000 combined contribution limit to two or more candidates for office on the same Council

After the campaign period, all candidates (including those who withdrew their nomination) were required to complete and file their Financial Statement – Auditor's Report – Form 4 with the City Clerk's Office, as required by Section 88.25 of the MEA. On the financial statement, candidates were required to document contributors that had contributed more than \$100 to their campaign.

Subsection 88.34(1) of the MEA requires the Clerk to review the contributions reported on each financial statement submitted by a candidate to determine whether any contributor appears to have exceeded any of the contribution limits. The Clerk must prepare a report of any apparent over-contributions [ss. 88.34(2)] and forward the report to the Compliance Audit Committee for consideration [ss. 88.34(4)]. A separate report is required for each apparent over-contribution [ss. 88.34(3)].

The report will be considered at a meeting of the Committee, which must decide whether to commence a legal proceeding against a contributor for an apparent contravention [ss. 88.34(8)]. Notice of the meeting is given to the contributor, the applicable candidate and the public [ss. 88.34(9)].

Candidates for Council also have a limit on how much they and their spouse can contribute to their own campaign, however this contribution limit is not part of the Clerk's review [ss. 88.9.1(8)].

Current Situation:

Seventy-three (73) financial statements for Council candidates were submitted to the Clerk’s Office before the filing deadline of Friday, March 31, 2023, 2 pm, or during the grace period for filing (deadline of Monday, May 1, 2023, 2 pm).

The contributions reported on each financial statement were reviewed and entered into a spreadsheet that tracked contributions by contributor’s name and address, as well as the amount contributed.

The following information details a contributor who appears to have exceeded the maximum contribution limit under Section 88.9(1):

A contributor shall not make contributions exceeding a total of \$1,200 to any one candidate in an election.

In accordance with Section 88.15 (1), goods and services given to a candidate for their election campaign are contributions.
