TNRM By-law Provisions

For debate and recommendation by the OACAC committee prior to referral to the Corporate Services Committee.

Definitions:

'colony caretaker' means a person who harbours or provides regular care for a feral cat or cats;

'feral cat' means a cat that lives exclusively outdoors with limited human contact and is un-socialized;

'feral cat colony' means a group of feral cats living in one geographic area on the date that this bylaw takes effect;

Licensing of Cats and Dogs

Notwithstanding Section ?? of this by-law, a feral cat that is part of a registered feral cat colony, spayed/neutered, ear tipped, microchipped, and vaccinated, including vaccination against rabies, is exempt from the licensing requirement.

Regulation of Cats and Dogs (At-large)

Notwithstanding Section ?? of this by-law, a feral cat that is part of a registered feral cat colony, spayed/neutered, ear tipped, microchipped, and vaccinated, including vaccination against rabies, and not interfering with a resident's enjoyment of property is not deemed to be at large.

Feral Cat Colonies

A colony caretaker shall register a feral cat colony with the City.

A colony caretaker shall complete any training or educational programs required by the City.
