

Brampton Recreation Centres Ice Rink Closures During Construction 2023-2025

Ice Closure

					2023				2024				2025				2026			
					Q1	Q2	Q3	Q4												
Projects	Notes	Start	End	Closure Time																
Susan fennell sportsplex Energy Retrofit	Shutdown will be sequenced and coordinated with Recreation. Two rinks would be in service throughout, except for July 2025 to complete the geothermal loop tie-in commissioning.	Q2, 2024	Q3, 2025	18 months																
Chris Gibson Recreation Centre Addition and Renovation	Facility shutdown due to the extent of renovation and addition works.	Q4, 2023	Q4, 2025	24 months																
Memorial Arena Change Room Expansion	The addition should not impact the ice rink. However, the arena is used for lacrosse so it won't be available for ice hockey.	No impact	No impact	No impact																
Earncliffe Recreation Centre Energy Retrofit	if the grant is unsuccessful the construction to be postponed beyond 2025.	Q3 2025	Q1 2026	9 months																
Jim Archdekin Mechanical Equipment and Power Distribution Replacement	One month shutdown is required in 2025. The shutdown to be coordinated with Recreation and Alectra Utilities.	Q2, 2025	Q3, 2025	1 month																
Victoria Park Arena	New Construction. The project has been ready for tender since Q2, 2022, but went on hold due to budget shortfall. The new tender date will have to established.	TBD	TBD	TBD
