Dear Emma and City Councillors

I am writing this email to you to express my grave concern and opposition against the above proposal.

I have no doubt that the city has considered a number of factors prior to arriving at this proposal, I will save you from a long list of objections that have no doubt been expressed already.

I would like to point out that the proposal can only add to the existig long list of issues that has plagued our neighbourhood. As such, I urge you all to reconsider this proposal and avoid much more severe issues with thousands of additional residents further down the road.

Regards

Sarbit Sidhu
