>  
> We are opposed to this request for a zoning change and future residential plans!  
>  
> We are residents in this area and are shocked that all residents in this area did not have a clue about  
this proposed zoning change or the meeting scheduled for Monday July 31, 2023.  
>  
> We were not given any time or opportunity to voice our concerns after recently finding out about the  
proposed change in plans.  
>  
> In just under 1 week after finding out, we as a community have manually collected over 500 signatures  
of protest, we will get thousands more!!!  
>  
> We hope you will be present on Monday!
