Dear Mr. Martin Mederios,

Please note that we strongly oppose File No. OZS-2023-0014, Redesignation and Rezoning of property located at Steeles Avenue and Financial Drive. We have already signed the petition filed by the Copperridge community with the details of the concerns within the community due to this development.

We would appreciate it if you could please take a look into this matter.

Thanks and Regards,  
Binil Nair & Anulakshmy Binil Nair.
