Hi,

We very strongly object to the proposed amendment of allowing big trucks on The Gore Road as well as reducing the buffer area between the property and The Gore Road.

This is an absolutely unnecessary application and will cause unwarranted commercialization of a premium residential neighbourhood. There is a perfectly good entrance from the other side of the property on Hwy 50 which is a far more wider and main road, much nearer to Hwy 427.

We sent a letter before also as well as signed the petition, prior to Nov 28, 2022. We will be attending today's POH meeting as well.

Regards,
