For public liquor sales events where the applicant is not a charity or non-profit organization, an applicant cannot obtain a Special Occasion Permit (SOP) from the Alcohol and Gaming Commission of Ontario (AGCO) unless the event is designated to be of provincial or material significance by the AGCO or municipal significance by City Council.

Current Situation:

Applicant Status

This event/applicant does not meet the SOP criteria as established by the AGCO, as Cyril Clark Theatre is not a charity or non-profit organization. Therefore, Council must designate the event municipally significant to facilitate the SOP application approval by the AGCO.
