Brampton Campus

January 2023

Algoma
UNIVERSITY

Campus Renovation And Expansion Update

- **Phase 3 renovations including the renovation of 28 Main St and 56 Queen St currently underway, increasing footprint to 51,000 sq. ft.**
 - 20,000+ sq. ft. renovation
 - 90+ seat classroom
 - Dedicated space of 3000+ sq. ft. for student success related services
 - An additional 13,000 sq. ft. for Professional and Continuing Education (PACE) and all of its programming
 - Four 50/60 seater classrooms
 - One new computer lab
 - Additional administrative offices and flex workstations
- **Looking to the Future**
 - Developing a Master Plan for the Brampton campus which will include a significant expansion of our current infrastructure.
 - This will include a new residence, food services, additional student-specific spaces, research and academic space, and more.
 - Undergoing a full campus space assessment with Education Consultant Services will identify current and future space requirements and needs.
 - Initial findings - Algoma U requires approximately 365,000 sq. ft. of space. To support over 5000 FTE
