Dear Himanshu, City Councilors, Mayor, Premier.

I would highly appreciate if you can pls provide response

1. **COVID** cases are on increase, **Brampton is on Stage 2 Lock down** and **City offices are all closed** **than why CITY is PUSHING this Project?**
2. Under which City guideline can you advise that city can setup the meeting in Pandemic?
3. Why? again, and again city pushing this project in **PANDEMIC** since march despite we have told 100 times that this should only proceed once the pandemic is over.

Enclosed are the few examples of property owners who strongly Object against this development plan.

Dear Owusu and Himanshu - Its now city responsibility to Cancel the meeting as enclosed are the few examples of property owners who does not have access to the technology and they cannot raise their voice against their development plan

If you still want to go ahead for this meeting than you have to go door to door of these property owners to get their Feedback.

COVID is not only City issue nor Province its National Issue. Can you pls take permission from Mr. Trudeau that you are allowed to harass people in this pandemic.

Thanks
Rajeev

We Senior people strong object the Proposed Development Plan 6875 and 6889 Mayfield, as we have limited access to technology due to which most of us cannot be present online to raise our concerns against this proposal. These meeting and discussions should be stopped immediately and should be taken after the pandemics over in person.
