

Brampton Safety Council Site Inspection Report

Date: June 8, 2023 - Ward: 6

School/Location: Whaley's Corners Public School, 140 Howard Stewart Road

Principal: Costen McCann

Time(s): 8.30 a.m./3.20 p.m.

Phone: 905 452-3912

Weather: Cool and overcast

Requested By: Prashanth Panda

Nature of Problem: Request to review parking issues/traffic congestion in vicinity of the school and Crossing Guard/Traffic Congestion at intersection of Mugford Crescent and Edenborough Road

Observers Present: Margaret Laramore, Crossing Guard Team Lead (A.M./P.M.)
Will Davies, PDSB Trustee, (A.M./P.M.)
Dominique Darmanin-Sturgeon, Co-chair (A.M.)
Charles Gonsalves, Co-Chair (P.M.)

Observations:

1. Edinburgh Dr. is a 2 lane road running east/west, with sidewalks on both sides of the street.
2. Mugford Cres. is a 2 lane road running north/south which ends at Edinburgh Dr. with sidewalks on the east side of Mugford Cres. only.
3. At the intersection of Edinburgh Dr. and Mugford Cres., a walkway leads to the rear of Whaleys Corner School.
4. In the morning, approximately 65 pedestrians that crossed over Edinburgh Dr. to the walkway and most students were with parents. There were sufficient gaps in the traffic flow and no conflicts seen with vehicular traffic.
5. In the afternoon 65 students crossed with no conflict with vehicular traffic and sufficient gaps were observed.
6. During the site inspection times there were drivers that parked in front of the walkway and blocked it for pedestrians.
7. During both site inspections times a few drivers made U Turns.

Recommendations

1. That the Site Inspection report for Whaley's Corners Public School be received; and
2. That the Traffic Manager of Traffic Operations and Parking arrange for the installation of "No Stopping Anytime" on the south side of Edinburgh Drive in front of the walkway between house # 25 and #35; and
3. That a crossing guard is not warranted on the intersection of Edinburgh Road and Mugford Crescent at the walkway into Whaleys Corner School.
