City of Brampton

Re: Application for Minor Variance, **A-2023-0267**
Dhansukhbhai Ahir & Laxmibahen Ahir
140 Moffatt Ave, Brampton, L6Y 4R8

We are the registered owner(s) of Moffatt Avenue, Brampton, neighbours of the owners of 140 Moffatt Avenue. We have reviewed the requested minor variances application with the owners, and we wish to support application A-2023-0267. They have widened the driveway to provide a walkway for basement tenants entrance located at the back of house. This edition enhances the aesthetics appeal of the driveway and improves its functionality. The roofed porch was built to protect the basement from flooding.

We, the below signed residents, are aware petition will be publicly available on City website. We fully support the minor variance application and we do not offer any objections to requested minor variances and approval of this application.
