> Hello, our names are Debbie and Paul Medeiros, and we are writing our concerns with regards to the above application number. We live at 14 McClure Avenue, and we are very familiar with the house on 27 Sanford Crescent.

> First and foremost, there are a few measurements that are incorrect on

> the blueprints.: the survey shows a 3 car parking, when he has his

> of it is concrete with a small of patch for a garden. The survey shows

> measurements that are not up to bylaw code. We aren't sure why this is

> even considered passing, as measurements aren't adhered to. Our other

> concerns are that if you allow this person to build a garden suite,

> would we then have all the other neighbours building units and suites

> in their backyard? Our last concern is this: did the city send an

> employee to verify these measurements on the survey? Surely for the
