Re: Banquet Hall at Mittran Da Dhaba

Application Number: A-2023-0276

Dear Sir/Madam,

I, Mandeep Sran, am a teacher in Peel district Board.

I speak in favour of the permit for Mittran da Dhaba to be used as a Banquet Hall. My reasons are:

- We do not have a banquet Hall in the West side of Brampton
- The current service and food quality at Mittran da Dhaba makes it favourable
- The location is ideal for a Banquet Hall as it has more open space surrounding it

I am gladly sharing my reviews and recommendations for Mittran Da Dhaba located at 2548, Embelton Rd, Brampton, ON, L6X 0E1. I am greatly relieved to have a Punjabi restaurant that strives to adhere to the authentic flavours and taste of home food. I also appreciate the personal attention provided during service and the effort paid to sustain the quality and taste of food. Moreover, the proximity of the location provides convenience for me and my family to frequently visit the location as it is an ideal setting that adds a whiff of freshness to escape the city humdrum.

I wish Mittran da Dhaba all the best in their future endeavours.

Regards,

Mandeep Sran
