CITY OF BRAMPTON

RE: ZONING APPLICATION # A-2022-0276

My name is Mandeep singh grewal . I am a resident of 9090 Heritage rd in the City of Brampton. It has come to my attention regarding the zoning application for the property located at 2548 Embleton Road, Brampton, Ontario L6X 0E1. Please be advised that I am very familiar with that area and feel that this property is suitable for a banquet hall. It will also bring more jobs for the community in that area.

I am with this letter supporting a request before the City of Brampton for amending the zoning to permit the property for the use of a Banquet hall.

I also authorize to post my correspondence wherever it is needed

Thanks

Mandeep Singh grewal
